DSG Service Summary Cover Sheet

The individual "Service Verification Forms" for all of the events listed on this "Service Summary Document" must be attached. The "Service Verification Packet" must be turned in to the campus DSG contact person by **April 1st** each school year. Per Spring ISD Policy, all students are required to **make a copy of their entire packet before submitting it**, since the packet will not be returned once it has been turned in to the campus DSG contact. In the event that a discrepancy exists between the number of hours the DSG student says that they have performed and the records kept by Spring ISD, the student's copy of their Service Verification Packet must be provided. No adjustments to the official records will be made unless the student can provide a duplicate copy of their entire Service Verification Packet.
