

Subject - Important Message from Principal Baxter

Dear Dekaney High School Parents and Guardians:

I want to update you on some new faces your students will be seeing around campus soon. Because the safety of our students and staff is our highest priority, we have partnered with Champions National Security to provide additional security support. You will see their team members helping campus staff during the daily arrival process. Team members will assist with directing students and visitors to the correct entrances and will also assist with additional security checks.

As a reminder, after the start of the school day, students should follow the same procedures as campus visitors and enter the main entrance of the campus (on Imperial Valley). Students are required to wear their photo ID at all times.

Visitors are required to sign in at the reception desk and present their driver's license or photo identification for scanning. They will be issued a photo ID name tag, which they must wear the entire time they are on campus. Upon leaving the campus, visitors are asked to stop by the front desk and check out.

We appreciate your cooperation and support as we continue to ensure students have a safe and secure environment in which they can focus on learning. If you have any questions, please do not hesitate to contact me directly by calling the campus at 281-891-7260 or emailing me directly dbaxter@springisd.org.

Sincerely,

David Baxter
Dekaney High School
Principal
