Spring ISD to host ribbon-cutting ceremony for Momentum High School's new facility

HOUSTON - Nov. 20, 2023 - Momentum High School in Spring Independent School District will host a ribbon-cutting ceremony on Tuesday, Nov. 28 from 10-11 a.m. at 14450 T.C. Jester Blvd.

The ceremony will celebrate the new location for the campus, which [launched during the 2022-2023 school year](#), and was formerly housed behind Westfield High School in a collection of temporary buildings. The newly renovated building now allows Momentum to have classroom space and furniture to better suit the needs of high school students.

[Preparations for the new Momentum began in 2022, with the actual work taking place this past summer.](#) At the new building, which formerly housed Spring Leadership Academy, who also recently moved locations, renovations include updated graphics and signs, and technology upgrades, as well as a full library, gym, and on-site cafeteria – all things that were not available to them in the temporary buildings.

The school currently has 255 students, with the hopes of expanding their 9th grade enrollment and middle school options in the near future.

Momentum High School is a [school of choice](#), offering a path to graduation for students seeking an alternative to the traditional middle school or high school experience.
