Cell phones shall be silenced and not in use while in the instructional setting without authorization. Cell phone usage is strictly prohibited during testing. If a cell phone/paging device is confiscated, it will be returned in accordance to the District’s regulations regardless of who actually owns the device. Confiscated cell phones/paging devices will be secured by campus administration. **The first time a phone is confiscated is a warning. Each time afterwards the cell phone/paging device is confiscated, it shall not be returned until after the $15.00 administrative fee is paid and the parent, guardian or non-student owner demonstrates proof of ownership.** Confiscated cellular devices will remain in the custody of the campus administration for processing until properly claimed. Unclaimed devices will be discarded ten days after the last day of school. Students, who violate the cell phone policy, including a refusal to comply with an administrator’s request to turn over the device, shall be subject to disciplinary action.
