Dear McNabb Elementary Parents and Community,

Creating a positive school and classroom culture and climate where teaching and learning can safely take place requires a partnership between parents, teachers, and all other stakeholders. At McNabb, we want every scholar to have a clear understanding of what is, and what is not acceptable behavior.

McNabb will continue to use the district-approved discipline program called CHAMPS in conjunction with PBIS (Positive Behavior Intervention and Support) to support the positive behavior of our scholars. The goal of CHAMPS is to create a learning environment where scholars are responsible, motivated and focused on a task. PBIS is used to ensure that students positive behavior is rewarded without focusing on the negative behavior.

School rules and expectations are clearly posted in classrooms and throughout the building. McNabb scholars are expected to follow school rules and guidelines as well as display leadership qualities on a daily basis. If school rules are broken and disciplinary action must be taken, the disciplinary action will serve as a learning experience through which a student can grow in terms of character, values, self-control, self-understanding, and respect and appreciation of others.

Disciplinary actions taken may include but are not limited to:

- Warnings/Redirection
- Teacher-Student Conference
- Time Out
- Reflection Time
- Loss of a Privilege
- Phone Call Home
- Referral to Counselor
- Parent-Teacher Conference
- Disciplinary Referral
- In School Suspension
- Out of School Suspension

Our desire is always to do what is best for each scholar, and to do whatever is necessary to help scholars achieve academic and emotional success. Be sure to speak with your child’s teacher about the discipline model and approach used in the classroom.

Thank you in advance for your support and cooperation.

Respectfully,

Melissa Warford
