

BOND 2022

Planning for the Future. Building for Equity.

Dear **Beneke Families:**

Our Spring ISD Board of Trustees has called for a bond referendum that will appear on the upcoming November 2022 ballot. The bond package, developed in part by our community members, students, and staff is made up of three propositions that address the current and future needs of our students.

I'm encouraging you to learn the facts about the bond and to go vote. Early voting begins Oct. 24 and runs through Nov. 4. For information on registration and early voting, go to HarrisVotes.com.

Please note that Spring ISD will be conducting informational meetings about the bond that will be taking place throughout our community. Once dates are announced, we will be sharing that information as well as posting to our district and school websites. To learn more about the Spring ISD 2022 Bond, visit Spring ISD's dedicated Bond website at SpringISD.org/Bond.

Let's get informed and go vote!

Sincerely,

Dr. A'Lesia Land

Beneke Elementary Principal
