Statement of Purpose
Wells Middle School (WMS) is a community of learners where staff, students and parents work to ensure high levels of learning and engagement for every student within a caring and collaborative culture.

We believe it is the responsibility of staff, parents and our community to work together to fulfill our mission to identify and address each student’s academic need through ongoing assessments, data analysis and appropriate enrichment or interventions made available to all students through the Title I program and various other educational services offered through Spring I.S.D.

Improving Family and Community Engagement
In order to build Family and Community Engagement and support meaningful partnerships, WMS parents, teachers, administrators and community partners will:

- Meet at least once yearly to plan, review and offer suggestions for improvement of activities and/or events that focus on Family and Community Engagement as it pertains to academic achievement and school performance
- Actively recruit parent volunteers in hopes of producing a diverse snapshot representative of our student population currently served at Wells Middle School.
- Offer flexible meeting times to provide for optimum Family and Community Engagement Policy attendance and participation.
- Maintain open lines of communication between the school and home
- Involvement and input at WMS is requested during but, not limited to the following opportunities:
  - Sports and Fine Arts events
  - Open House
  - NJHS Induction
  - Field Trips
  - PTO meetings
- An annual meeting will be held at WMS to review the Family and Community Engagement Policy

Timely and Purposeful Communication
WMS will provide various means of delivery of information to parents in a timely manner by utilizing the following modes of communication:

- Student delivered letter or newsletter
- Personal and automated phone calls
- School web-site and billboard
- U.S. Mail
