2023-2024 Parent Compact

What is a Parent, Student, and Teacher Compact?

It is a written commitment expressing how all members of a school's community, teachers, principals, and students agree to share responsibility for the student learning process. The compact helps bridge the learning connection between school and home.

Parents, Students, and Teachers promise to:

1. Parents

I want my child to succeed. Therefore, I will:

- Help my child be punctual and attend school regularly
- Support the school discipline policy
- Regularly review all information my child brings home from school
 - Supervise the completion of homework and home activities with my child
 - Attend parent/teacher conferences and at least two school functions (i.e. curriculum nights, and extracurricular activities)
 - When possible, volunteer at school (we suggest at least 4 hours per semester)

2. Teachers

It is important that I work to the best of my ability. Therefore, I will:

- Be an advocate for all children and keep safety as a first priority
- Provide instruction that supports all different types of learners in my class
- Provide an open line of communication with my parents via phone calls, emails, and my web page in a timely manner
- Keep track of the success and concerns of all of my students
- Teach with enthusiasm in order to motivate my students
- Update my grades and website regularly
