

## **SPRING INDEPENDENT SCHOOL DISTRICT LOCAL INNOVATION PLAN COMMITTEE**

**Gordon M. Anderson Leadership Center  
Conference Room Curriculum A&B**

### **Meeting #1 Minutes February 21, 2017**

#### **Welcome and Introductions**

The meeting began at 6:10 PM. Chief Julie Hill welcomed the committee members. All members introduced themselves by name, title and organization.

#### **District of Innovation Overview**

Chief Hill gave an overview of the District of Innovation. She also reviewed with participants the documents they received as pre-reading materials as well as the documents received in their binders that night as part of the meeting. Through the presentation, Chief Hill illustrated that the comprehensive educational program mandated as one of the components of a local innovation plan already existed in Spring ISD through its strategic plan, Every Child 2020.

#### **Innovation Input**

Committee members worked in small groups to identify innovative ideas that would further the implementation of the District's strategic plan, Every Child 2020, which is one in the same as the comprehensive educational program mandated by Texas Education Code Chapter 12A. Ideas were charted and posted. The posters were collected to create the Innovation Input Summary document that committee members were to receive as part of the pre-work for the next meeting.

#### **Next Steps**

Chief Hill stated that the input collected would be summarized and emailed to all committee members for review prior to the next meeting.

Everyone was reminded that the next meeting was scheduled for Tuesday, February 28, 2017, in the Board Room of the Gordon M. Anderson Leadership Center.

The meeting adjourned at 7:30 PM.
