

# Family Med Clinic & Med Spa

*appreciates all that you do!*

*In appreciation of all of your hard work, we would like to extend a 10% discount to all educators and staff on all Med Spa services.*

We treat acute and chronic conditions such as flu, strep throat, sinus infection, high blood pressure, diabetes, and more.

In addition to meeting your family's healthcare needs, we offer a wide range of med spa services designed to help improve mental clarity, alleviate fatigue and improve your overall well-being.

**BioTE** - A bioidentical hormone replacement therapy designed to help you age healthier and live happier.

**IV Nutrition** - We offer a number of specially formulated IV drips that are designed to boost your immunity, help alleviate stress, support a healthy metabolism, weight loss, and more.

**Medically Supervised Weight Loss** - Whether it's the last few pounds you have struggled to lose, or you are beginning your weight loss journey, we are here to help.

## Super Lipo-B

**Super Lipo B Injections** - Increase energy level, fat burning, muscle gain, libido, and provides anti-aging effects.

Pamper yourself and reclaim your youthful appearance with Botox, Kybella, Juvederm, microdermabrasion and more.

*In appreciation of all your hard work, we would like to extend a 10% discount to educators and staff on all Med Spa services.\**
