Cash

The District's depository bank BBVA was acquired by PNC bank in June 2021. The District's funds are required to be deposited and invested under the terms of a depository contract with PNC (previously BBVA) pursuant to the School Depository Act. All deposited District funds other than those held in investment pools, or fully collateralized repurchase agreements, shall be fully collateralized or insured consistent with federal and state law and the current bank depository contract. District funds are collateralized or insured by FDIC insurance coverage and/or obligations of the United States or its agencies and instrumentalities at no less than 110 percent per provisions of Chapter 2257 of the Government Code.

At December 31, 2021, the carrying amount of the District's cash on deposit was \$13,986,894.05; the bank balance was \$15,870,635.93 and was covered by FDIC insurance and by pledge securities held by the Federal Reserve Bank in the District's name.

Summary of Investments and Pools

The District's investments are comprised of balances held by PNC Bank Money Market Accounts, Texas Local Government Investment Pool ("TexPool"), TexPool *Prime*, and TexasTERM DAILY Pool.

PNC Money Market Accounts

PNC Bank Money Market Accounts are a type of savings account that usually pay higher interest, have higher minimum balance requirements and only allow six electronic withdrawals a month. The funds held in these accounts are considered liquid. PNC Bank Money Market Accounts are pledged by FDIC Insurance and U.S. Securities.

TexPool

TexPool is the largest and oldest local government investment pool in the State of Texas. The State Comptroller of Public Accounts oversees TexPool. Federated Investors is the full service provider to the pools managing the assets, providing Participant Services, and arranging for all custody and other functions in support of the pools operations under a contract with the Comptroller. TexPool investments consist exclusively of U.S. Government securities, repurchase agreements collateralized by U.S. Government securities, and AAA-rated no-load money market mutual funds.

TexPool Prime

TexPool *Prime* is an additional portfolio overseen by the Comptroller of Public Accounts in an effort to deliver yield enhancement strategies to Texas Public entities. TexPool *Prime* can invest in the same permissible investments as in TexPool, but TexPool *Prime* has the authority to include commercial paper and certificates of deposits.

Texas TERM DAILY

The Texas TERM DAILY is a local government investment pool which was created by and for Texas local governments to provide investment options with safety, flexibility and competitive yields. Texas TERM DAILY is made up of a money market portfolio with daily liquidity.

The following is a summary of interest earnings for all District investments as of December 31, 2021:

This Report of Cash and Investments represents the cash and investment position as of December 31, 2021, and is in compliance with the District's Investment Policy, the Public Funds Investment Act, and Generally Accepted Accounting Principles (GAAP).
