INTRODUCTION

The Financial Accountability Rating System of Texas (School FIRST) was developed by the Texas Education Agency (TEA) in response to Senate Bill 875 of the 76th Texas Legislature in 1999. It is administered by TEA and calculated on information submitted to TEA via Public Education Information Management System (PEIMS) submission each year.

During the 77th regular session of the Texas Legislature in 2001, Senate Bill 218 was passed and signed into law by Governor Perry shortly thereafter. This law requires each school district to prepare an annual financial accountability report, within two months of receiving the official ratings. This is the 21st year of School FIRST.

Major changes to the School FIRST system were implemented by the Texas Education Agency in August 2015 that combined financial indicators with financial solvency indicators, in accordance with Section 49 of House Bill 5, enacted by the 83rd Texas Legislature, Regular Session, 2013. The primary goal of School FIRST is to achieve quality performance in the management of school districts' financial resources, a goal made more significant due to the complexity of accounting associated with the Texas' school finance system.

This rating system ensures that Texas public schools are held accountable for the quality of their financial management practices and that they improve those practices. The system is designed to encourage Texas public schools to better manage their financial resources to provide the maximum allocation possible for direct instructional purposes.

The School FIRST accountability rating system assigns one of four financial accountability ratings to Texas school districts, with the highest being "Superior Achievement (A)," followed by "Above Standard Achievement (B)," "Meets Standard Achievement (C)" and "Substandard Achievement (F)."

Spring Independent School District achieved a rating of "A" for "Superior Achievement" under Texas' School FIRST financial accountability rating system for the 2021-2022 fiscal year. The "Superior Achievement" rating is the state's highest, demonstrating the quality of Spring ISD's financial management and reporting system. This report briefly focuses on the details of what the District has accomplished to obtain this rating.

In addition to covering the results from the School FIRST accountability rating system, this report includes other business-related issues such as a discussion of the District's financial position.

2022-2023 RATINGS BASED ON SCHOOL YEAR 2021-2022 DATA

Spring Independent School District

Status: PASSED | Rating: A = SUPERIOR ACHIEVEMENT| District Score: 92

#	Indicator Description	Score
1	Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district's fiscal year end date of June 30 or August 31, respectively?	Yes
2	Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)	Yes
3	Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)	Yes
4	Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies? (If the school district received a warrant hold and the warrant hold was not cleared within 30 days from the date the warrant hold was issued, the school district is considered to not have made timely payments and will fail critical indicator 4. If the school district was issued a warrant hold, the maximum points and highest rating that the school district may receive is 95 points, A= Superior Achievement, even if the issue surrounding the initial warrant hold was resolved and cleared within 30 days.) DETERMINATION OF RATING

A.	Did the district fail any of the critical indicators 1, 2, 3 or 4? If so, the school district's rating is F for Substandard Achievement regardless of points earned.	
B.	Determine the rating by the applicable number of points.	
	A = Superior Achievement	90-100
	B = Above Standard Achievement	80-89
	C = Meets Standard Achievement	70-79
	F = Substandard Achievement	<70
<p>No rating = A school district receiving territory that annexes with a school district ordered by the commissioner under TEC 13.054, or consolidation under Subchapter H, Chapter 41. No rating will be issued for the school district receiving territory until the third year after the annexation/consolidation.</p> <p>The school district receives an F if it scores below the minimum passing score, if it failed any critical indicator 1, 2, 3, or 4, if the AFR or the data were not both complete, or if either the AFR or the data were not submitted on the time for FIRST analysis.</p>		

CEILING INDICATORS

Did the school district meet the criteria for any of the following ceiling indicators 4, 6, 16, 17, or 20? If so, the school district's applicable maximum points and rating are disclosed below. Please note, an F = Substandard Achievement Rating supersedes any rating earned as the result of the school district meeting the criteria of a ceiling indicator.		
Determination of rating based on meeting ceiling criteria.	Maximum Points	Maximum Rating
Indicator 4 (Timely Payments) – School district was issued a warrant hold.	95	A = Superior Achievement
Indicator 6 (Average Change in Fund Balance) – Response to indicator is <i>No</i> .	89	B = Above Standard Achievement
Indicator 16 (PEIMS to AFR) – Response to indicator is <i>No</i> .	89	B = Above Standard Achievement
Indicator 17 (Material Weaknesses) – Response to indicator is <i>No</i> .	79	C = Meets Standard Achievement
Indicator 20 (Property Values and Tax Discussion) – Response to indicator is <i>No</i> .	89	B = Above Standard Achievement

DISCUSSION OF BASE INDICATORS

- 1. Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district's fiscal year end date of June 30 or August 31, respectively?**

This indicator merely states the District's requirement for timely reporting.

Spring ISD met all reporting requirements set by the TEA.

- 2. Was there an unmodified opinion in the AFR on the financial statements as a whole?**

A "modified" version of the auditor's opinion in your annual audit report means that you need to correct some of your reporting or financial controls. A district's goal, therefore, is to receive an "unmodified opinion" on its Annual Financial Report.

Spring ISD obtained an "unmodified" audit opinion. This indicates that the District's records were in good condition and fairly presented Spring ISD's financial position.

- 3. Was the school district in compliance with the payment terms of all debt agreements at fiscal year end?**

This indicator seeks to make certain that the District has paid all bills/obligations on financing arrangements to pay for school construction, school buses, photocopiers, etc.

Spring ISD was in compliance with the payment terms of all debt agreements at fiscal year-end.

- 4. Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies?**

This indicator seeks to make sure the district fulfilled its obligation to the TRS, TWC and IRS to transfer payroll withholdings and to fulfill any additional payroll-related obligations required to be paid by the district.

Spring ISD made timely payments to the TRS, TWC, IRS, and other government agencies.

- 5. The indicator was not evaluated for this FIRST Rating.**

- 6. Was the average change in (assigned and unassigned) fund balances over 3 years less than a 25 percent decrease or did the current year's assigned and unassigned fund balances exceed 75 days of operational expenditures?**

This indicator measures the percentage change in fund balance to see whether the fund balance is declining too quickly, and if it is declining, whether sufficient fund balance remains to operate for at least 75 days.

Spring ISD met the requirement and passed the ceiling determination.

- 7. Was the number of days of cash on hand and current investments in the general fund for the school district sufficient to cover operating expenditures (excluding facilities acquisition and construction)?**

This indicator measures how long in days after the end of the fiscal year the school district could have disbursed funds for its operating expenditures without receiving any new revenues.

Spring ISD's number of days of cash on hand and current investments was 115.52 days. The District received 10 points based on the determination of points scale:

10	8	6	4	2	0
≥ 90	$<90 \geq 75$	$<75 \geq 60$	$<60 \geq 45$	$<45 \geq 30$	<30

- 8. Was the measure of current assets to current liabilities ratio for the school district sufficient to cover short-term debt?**

This indicator measures whether the school district had sufficient short-term assets at the end of the fiscal year to pay off its short-term liabilities.

At the end of the fiscal year, Spring ISD had current assets covering 2.69 times its current liabilities. The District received 8 points based on the determination of points scale:

10	8	6	4	2	0
≥ 3.00	$<3.00 \geq 2.50$	$<2.50 \geq 2.00$	$<2.00 \geq 1.50$	$<1.50 \geq 1.00$	<1.00

- 9. Did the school district's general fund revenues equal or exceed expenditures (excluding facilities acquisition and construction)? If not, was the school district's number of days of cash on hand greater than or equal to 60 days?**

This indicator simply asks, "Did you spend more than you earned?" (The school district will automatically pass this indicator, if the school district had at least 60 days cash on hand.)

Spring ISD's general fund revenues exceeded expenditures and had 115.52 days of cash on hand, which earned the district 10 points.

- 10. The indicator was not evaluated for this FIRST Rating.**

- 11. Was the ratio of long-term liabilities to total assets for the school district sufficient to support long-term solvency? (If the school district's increase of students in membership over 5 years was 7 percent or more or 1,000 or more students in membership, then the school district passes this indicator.)**

This indicator measures the ratio of long-term liabilities to total assets. This question is like asking someone if their mortgage exceeds the market value of their home.

Spring ISD's ratio of long-term liabilities to total assets was 0.671, which earned the district 8 points based on the determination of points scale:

10	8	6	4	2	0
≤ 0.60	$>0.60 \leq 0.70$	$>0.70 \leq 0.80$	$>0.80 \leq 0.90$	$>0.90 \leq 1.00$	>1.00

12. What is the correlation between future debt requirements and the district's assessed property value?

This indicator asks about the school district's ability to make debt principal and interest payments that will become due during the year.

Spring ISD's debt per \$100 of assessed property value ratio was 4.19. The district received 8 points based on the determination of points scale:

10	8	6	4	2	0
≤ 4	$>4 \leq 7$	$>7 \leq 10$	$>10 \leq 11.5$	$>11.5 \leq 13.5$	>13.5

13. Was the school district's administrative cost ratio equal to or less than the threshold ratio?

This indicator measures the percentage of their budget that Texas school districts spent on administration.

Spring ISD's administrative cost ratio was 0.1004. The district received 8 points for districts with average daily attendance of 10,000 and higher based on the determination of points scale:

ADA Size	10	8	6	4	2	0
10,000 and Above	≤ 0.0855	> 0.0855 ≤ 0.1105	> 0.1105 ≤ 0.1355	> 0.1355 ≤ 0.1605	> 0.1605 ≤ 0.1855	> 0.1855

14. The indicator was not evaluated for this FIRST Rating.

15. The indicator was not evaluated for this FIRST Rating.

16. Did the comparison of Public Education Information Management System (PEIMS) data to like information in the school district's AFR result in a total variance of less than 3 percent of all expenditures by function?

This indicator measures the quality of data reported to PEIMS and in your Annual Financial Report to make certain that the data reported in each case “matches up”. If the difference in numbers reported in any fund type is 3 percent or more, your district “fails” this measure.

Spring ISD’s variance was less than the threshold of 3 percent, which earned the district a passing rating for the ceiling determination.

17. Did the external independent auditor indicate the AFR was free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state, or federal funds? (The AICPA defines material weakness.)

A clean audit of the Annual Financial Report would state that your district has no material weaknesses in internal controls. Any internal weaknesses create a risk of the District not being able to properly account for its use of public funds, and should be immediately addressed.

Spring ISD’s Annual Financial Report was free of material weaknesses in internal controls.

18. Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? (The AICPA defines material noncompliance.)

This indicator measures whether the district is complying with laws, rules and regulations related to the expenditure of grant funds, contracts, and other state and federal funds.

The external independent auditors found that Spring ISD had no instances of material weaknesses in internal controls, which earned the district 10 points.

19. Did the school district post the required financial information on its website in accordance with Government Code, Texas Education Code, Texas Administrative Code and other statutes, laws and rules that were in effect at the school district's fiscal year end?

This indicator measures whether the district is complying with legal requirements related to financial transparency by posting all required information.

Spring ISD met the requirement, which earned the district 5 points, the maximum awarded.

20. Did the school district's administration and school board members discuss any changes and/or impact to local, state, and federal funding at a board meeting within 120 days before the district adopted its budget?

This indicator measures whether the school board had the opportunity to consider the impact of changes in local, state, and federal funding on the finances of the district.

Spring ISD passed the ceiling determination by discussing the impact of changes in local, state, and federal funding on the finances of the district at a board meeting within 120 days before the district adopted its budget.

OTHER DATA CONCERNING THE DISTRICT'S OPERATIONS

The purpose of this section is to discuss other aspects of the District's business operations not directly covered by the School FIRST Worksheet.

Administrative Cost Comparison

One measure the State of Texas uses to measure operating cost efficiency is the administrative cost ratio. There is a formula mandated by law. The administrative costs are divided by instructional costs to arrive at a percentage. A district's size determines its administrative cost limitations.

<u>Year</u>	<u>State Limit</u>	<u>District Actual</u>
17-18	8.55%	10.33%
18-19	8.55%	10.57%
19-20	8.55%	10.59%
20-21	8.55%	9.39%
21-22	8.55%	10.04%

Debt Management

At June 30, 2022, the total outstanding general obligation and refunding bonds was \$636,135,000 with interest rates ranging from 0.52% - 5.00% and maturities until 2043. The District works alongside financial advisors to schedule refunding of bonds to lower interest rates when the market allows. This shows a commitment to reducing outstanding debt. The District has worked diligently to schedule bond maturities and interest payments to smooth out the impact on the tax rate and to match the useful life of capital assets being purchased and/or constructed.

Operating Cost Management

The majority of the District's total General Fund expenditures are variable in nature. Over 85% of total expenditures is comprised of salaries and benefits. Contracted services, supplies, materials and other operating costs make up the remainder of what is referred to as operating (fixed/controllable) costs. The chart below illustrates how the District's operating cost per student compares to our neighboring districts.

<u>District</u>	<u>Operating Cost</u>	<u>Average Daily Attendance</u>	<u>Operating Cost Per Student</u>
Spring Branch	\$490,214,664	30,157	\$16,255
Alief	560,081,965	36,316	15,422
Spring	401,236,934	28,662	13,999
Humble	550,436,083	42,468	12,961
Klein	585,674,693	49,252	11,891

Facilities Acquisition and Construction Management

On November 8, 2016, Spring ISD voters approved the 2016 Bond Election. The Bond Election authorized \$330.0 million in bonds. Total Capital Projects Fund expenditures for the fiscal year ended 2022, was \$7.7 million, which includes building renovations, the purchase of white fleet vehicles, and technology upgrades.

As of June 30, 2022, the Capital Project Fund balance was \$8.7 million.

Personnel Management

The District's longstanding personnel goal is to attract and retain qualified staff and to offer a competitive salary and benefits package each year.

The District strives to remain competitive in terms of salary in order to attract and retain highly qualified teachers. A reflection of this effort can be seen in the chart below which illustrates an increase in the minimum teacher salary over the past five years. The minimum teacher salary increased from \$52,275 to \$57,425 or, 9.9% from 2018 to 2022.

Tax Collections

A consistent tax collection rate aids in the management of debt. As shown below, the District maintains a high collection rate.

<u>Year</u>	<u>Collection Rate</u>
17-18	99.75%
18-19	99.74%
19-20	99.58%
20-21	99.40%
21-22	98.28%

Cash Management

The Schools FIRST worksheet addresses cash and investment issues, but only in a very basic manner. The worksheet criterion provides that the cash on hand be sufficient to cover operating expenditures without receiving any new revenues. The District's investment and cash management program is much more complex.

The District has a legal and local board policy that requires the District to invest funds within specific guidelines meant to ensure liquidity and safety. The District maintains a diverse portfolio consisting of investment pools and money market accounts. The District takes advantage of the opportunity for increased yield with longer term instruments such as certificates of deposits, U.S. Treasuries, Federal Agency Securities, and Federal Instrumentality Securities whenever possible.

The District frequently performs reviews of investment activity and performance, and submits a report to the Board of Trustees, on a quarterly basis.

Budgetary Planning & Financial Allocations

The District's budget process usually begins in January each year. During the first month, the board of trustees establishes the District's priorities which guide decision-making during the budget development process. Budget allocations are developed for each campus. The District allocates funds to campuses based on projected student enrollment. Support departments must create a zero-based budget and justify the need for the requested funds. Each department budget must exhibit alignment with the District's Five-Year Strategic Plan. In February and March, estimates of state and local tax revenues are completed and the budget starts to take on some form. April is the month the District is able to give the Board a view of how the next year's budget looks. In odd-numbered years, the legislature is in session, and that complicates and delays the budgeting process. The optimal time for making a public salary decision is May. Decisions are made on special project requests; revenue data is fine-tuned and a final budget is submitted to the Board of Trustees for approval in either May or June.

After the budget is adopted, each campus or department is given equal latitude regarding amending their budget when their plans or needs change. This decentralized style of budget management is required by the state of Texas. It is called site-based decision making. It is a system that works best in the long run for the District by allocating resources where they are needed, even when those needs change.

Annual Audit Report

Each year, an audit of the District's financial statements is performed by the independent auditors, Whitley Penn, LLP. The auditors' responsibility is to report on the District's financial status and to ensure that the District is accurately handling the financial records within required standards. This report is a critical element of the accountability ratings worksheet, covering five criteria.

For the fiscal year ended June 30, 2022, the District received an "unmodified" opinion with no reportable conditions or material weaknesses.

Awards and Recognitions

Spring ISD prides itself in its professional and proper handling of its internal accounting procedures and financial reporting abilities. The Government Finance Officers Association of the United States and Canada (GFOA) has awarded the District a Certificate of Achievement for Excellence in Financial Reporting for its Comprehensive Annual Financial Report. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Comprehensive Annual Financial Report. Additionally, the District has received the Association of School Business Officials' (ASBO) Certificate of Excellence in Financial Reporting. This award certifies that the Comprehensive Annual Financial Report substantially conforms to the principles and standards of financial reporting as recommended and adopted by the ASBO. Both associations have stringent requirements for their awards and it is a credit to the District and its taxpayers to be recognized nationally in such a manner.

The Superintendent is the educational leader and chief executive of the District and shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed by state law, Board policies, in the job description and as may be lawfully assigned by the Board. The Superintendent shall comply with all lawful Board directives, state and federal law and regulations, and district policies, rules and regulations as they exist or may hereafter be amended or adopted during the term of this Contract. Except as provided in this Contract, the Superintendent agrees to devote her full time, energy and skill to the performance of the duties of the Superintendent of Schools for the District using reasonable care, diligence, and expertise.

2.2 Professional Certification. The Superintendent shall, during the term of this Contract, and any renewal or extension thereof hold and maintain valid and appropriate certifications or permits required to act as a superintendent as prescribed by the laws of the State of Texas and the rules and regulations of the Texas Education Agency and/or the State Board for Educator Certification and all other certificates required by law. The Superintendent shall provide evidence of such certifications or permits to the Board upon request at any time. The Superintendent shall also provide evidence of educational attainment, degrees earned, previous professional experience, and other records required for personnel files of the District. Failure to

maintain valid and appropriate certifications or permits shall render this Contract void, and any material misrepresentation in any records provided to the District may be grounds for termination.

2.3 Reassignment. The Superintendent is employed specifically and solely to perform the duties of Superintendent of Schools for the District. The Superintendent cannot be reassigned from the position of Superintendent to another position without the mutual express written consent of the Superintendent and the Board.

2.4 Board Meetings. The Superintendent may attend, and may be permitted to attend, all meetings of the Board, both public and closed, with the exception of those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract or the Superintendent's salary or benefits as set forth in this Contract or the Superintendent's evaluation and performance, to interpersonal relationships or resolving conflicts between individual Board members, when the Board is considering the appointment or replacement of a Board member or when the Board is acting in its capacity as a tribunal to hear and resolve any complaint. The Board expects the Superintendent to be at all meetings of the Board. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings. Further, the Superintendent shall provide recommendation(s) and/or information as to each of the items of business considered at each meeting as needed or requested by the Board.

2.5 Indemnity. To the extent it may be permitted to do by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify the Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceeding against the Superintendent in her individual capacity or her official capacity for any act or failure to act involving the exercise of judgment and discretion within the normal course and scope of her duties as Superintendent of the District, to the extent and to the limits permitted by law. This paragraph does not apply if the Superintendent is found to have breached this Contract, committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith, with conscious indifference or reckless disregard, or with intent to violate a person's clearly established legal rights, or engaged in criminal conduct. Excluded are any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by the Superintendent. The selection of the Superintendent's legal counsel shall be with the mutual agreement of the Superintendent and the District if such legal counsel is not also District's legal counsel. The District may, at its sole option, comply with this paragraph by purchasing appropriate insurance coverage for the Superintendent or by including the Superintendent as a covered party under any errors and omissions insurance coverage purchased for protection of the Board and District professional employees, in which case the Superintendent's right to agree to legal counsel provided for her will depend on the terms of the applicable insurance contract. No individual Board member shall be personally liable for indemnifying and defending the Superintendent under this paragraph. The Board shall not be required to pay any costs of any legal proceedings in the event the Board and the Superintendent are adverse to each other in any such proceedings. The District's obligation under this Section shall continue after the termination of this Contract for qualifying acts or failures to act occurring during the term of this Contract or any extension thereof. During the term or any extended term of this Contract, the

Superintendent shall fully cooperate with the District in the defense of any and all demands, claims, suits, actions and legal proceedings brought against the District at no cost to the District. After termination of this Contract, the Superintendent agrees to provide assistance to and cooperate with the District, its Board, Trustees, agents, and attorneys in response to, or in defense of, any demand, claim, complaint, suit, action or legal proceeding brought against the District, Board, its Trustees, or agents, arising from any acts or events alleged to have occurred during the term of the Superintendent's employment with the District, at no additional expense to the District other than reimbursement to the Superintendent for documented reasonable and necessary out-of-pocket expenses, plus reimbursement of any salary lost by the Superintendent by virtue of taking time off from her then current employment to assist the District at its request. Requests for assistance from the Superintendent with respect to such matters shall be made through the Board of Trustees' President, any successor superintendent, and/or legal counsel for the District, and the amount to be reimbursed to the Superintendent shall be mutually agreed upon in advance. To the extent this Section 2.5 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly.

2.6 Consulting. During the term of this Contract, the Superintendent may not receive any financial benefit for personal services performed for any entity except in accordance with Section 11.201(e) of the Texas Education Code. The receipt of reimbursement for a reasonable expense is not considered a financial benefit for purposes of this section 2.6. The Superintendent will comply with all state laws, District policies, rules and regulations regarding conflict of interest and fraud as they exist or may hereafter be amended or adopted during the term of this Contract.

2.7 Complaints. The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention to the Superintendent for review and appropriate action. The Superintendent will either refer such matter(s): (a) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the Board of the results of such efforts; or (b) to the appropriate complaint resolution procedure as established by Board policies. Substantive complaints include allegations of possible wrongdoing by staff and/or students, complaints of possible criminal behavior by staff and/or students, and complaints about personnel which, if true, would require action by the Superintendent and/or administration. The Board retains the right to investigate complaints about the Superintendent. The Superintendent shall refer all substantive complaints from staff and/or third parties regarding a Board member to the Board President for review and action. If the complaint is about the Board President, the Superintendent shall refer the complaint to the next most senior non-implicated Board officer or, if necessary, Board member.

III. Compensation and Benefits

3.1 Salary. The District shall provide the Superintendent with an annual base salary in the sum of Two Hundred Ninety Thousand and No/100 Dollars (\$290,000.00). 3.2 Salary Adjustments. In the annual budget adopted for each subsequent year of this

Contract, at any other time at which the Board is considering salary adjustments for administrative personnel, or at any other time determined by the Board during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the base salary set forth pursuant to Section 3.1 of this Contract except by mutual written agreement of the two parties. Discretionary increases in salary shall be based on the Superintendent's annual performance evaluation and shall be at the discretion of the Board. Salary adjustments shall be made pursuant to a lawful Board action, and they shall be in the form of a written addendum to this Contract or a new contract.

3.3.1. Nonduty Days. The Superintendent shall work two hundred twenty-six (226) duty days each year for which this Contract is in effect in accordance with the professional calendar adopted by the Board for each year. This number of duty days is the same as for administrative employees on two hundred twenty-six (226) day contracts. The Superintendent may earn the same number of nonduty days authorized by policies and regulations adopted by the Board for administrative employees on two hundred twenty-six (226) day contracts. The Superintendent will be granted an additional five (5) nonduty days each year. At the Superintendent's choice, subject to approval by the Board President, the Superintendent may take these nonduty days in a single period or at different times, and they will be taken at such time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract. All nonduty days used by the Superintendent shall be treated as equivalent to one calendar day regardless of the work schedule of District staff at the time of the use of the nonduty day.

3.3.2 Local Leave Days. The Superintendent is hereby granted the same local leave days as authorized by Board policies for administrative employees on two hundred twenty-six (226) day contracts. The Superintendent shall observe the same legal holidays as provided by Board policies for administrative employees on two hundred twenty-six (226) day contracts. The Superintendent is hereby granted the same personal leave benefits as authorized by Board policies for administrative employees on two hundred twenty-six (226) day contracts, except that the Superintendent, at her discretion, may utilize all accrued but unused leave days to be taken in a single period or at different times during the term of this Contract, and they will be taken at such time or times as will least interfere with the performance of the Superintendent's duties.

3.4 Professional Growth. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state and national levels. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent, with prior approval of the Board President, to attend such seminars, courses or meetings, provided that such attendance does not interfere with the performance of her duties as Superintendent. The District shall pay the Superintendent's membership dues to professional organizations such as the Texas Association of School Administrators and other organizations as she deems appropriate for the performance of her duties. The District shall bear the reasonable cost and expense for registration, travel, meals, lodging, and other related expenses for such attendance and membership.

3.5 Expense Allowance. In addition to the base salary reflected in Paragraph 3.1, the Superintendent will receive certain allowances per month to cover the cost of all reasonable and necessary expenses incurred in the continuing performance of the Superintendent's duties under this Contract, which shall be paid in accordance with the District's normal payroll practices. The Superintendent will receive a car allowance of One Thousand Fifty and No/100 Dollars (\$1,050.00) per month. This allowance covers travel in the Superintendent's personal vehicle for District purposes within the Region 4 service area. When the Superintendent travels in her personal vehicle on District business to destinations outside of Region IV, the District will reimburse her actual mileage traveled at the current IRS rate per mile. The Superintendent will provide her own cellular phone and will receive One Hundred Fifty and no/100 Dollars (\$150.00) per month to cover all expenses associated with her business use of the cellular phone. The Superintendent shall have total responsibility for payment of her personal account and the District shall have no obligation or responsibility related to said mobile telephone account other than the monthly payment to the Superintendent of the mobile telephone allowance stated herein. The Superintendent understands that information stored in her cell phone or computer is subject to public disclosure if such information is related to the public business of the School District or to her duties as Superintendent. Notwithstanding the location of personal data on the cell phone or computer, the parties agree that any personal or private information of the Superintendent contained on the cell phone, computer or other devices, personal or District - owned, containing such data or information, shall be deemed private and the Superintendent's sole property; provided it shall be the responsibility of the Superintendent to assert, and to bear any costs of asserting, privacy or other confidentiality privileges or rights as to any such data or information.

3.6 Civic and Professional Activities. The Superintendent is encouraged to attend and participate in meetings and events involving local community groups such as Rotary Club, Kiwanis Club, North Houston Chamber of Commerce, Spring Education Foundation, Region IV Education Service Center, Harris County Department of Education and similar groups as a representative of the District. If meetings and events will incur a cost or fee, the cost or fee will be paid by the District. The Superintendent shall also attend and participate in meetings outside the Houston area as the representative of the District. She shall also attend and participate in appropriate professional meetings at the state and national levels such as, but not limited to, the Texas Education Agency Mid-Winter Conference for superintendents, meetings of the Texas Association of School Boards and the National School Boards Association, and meetings of the Texas Association of School Administrators. The District will pay the reasonable and necessary costs associated with attendance including airline tickets, mileage, hotel and accommodations, meals, rental cars, taxis and other similar expenses. Prior to all such travel, the Superintendent will advise the Board President and obtain pre-approval.

3.7 Computer, Fax Machine, and Pager. The District shall provide for a personal computer system and fax machine, at the District's expense, which the Superintendent may use in her home office for both business and personal use, provided that such personal use is legal and does not interfere with the use of the equipment for business purposes. The computer used by the Superintendent while at work may also be used for personal matters, provided that such personal use is legal and does not interfere with use of the equipment for business purposes. The District

will pay the Superintendent an allowance of \$100 per month for Internet service to her home and a dedicated fax line, which shall be paid in accordance with the District's normal payroll practices. All District-provided equipment remains the property of the District.

3.8 Annual Physical Examination. The Superintendent shall undergo an annual physical examination performed by a licensed physician mutually acceptable to the Board and the Superintendent. The examination will determine the Superintendent's continuing physical fitness to fulfill the duties and responsibilities of the position and may include laboratory analysis of blood, urine, stress, EKG and other procedures as deemed appropriate by the licensed physician. The physician shall submit a confidential statement to the Board President who will report to the Board verifying the Superintendent's fitness to perform essential functions of the Superintendent's duties. Such confidential statements shall be maintained as confidential medical records to the extent permitted by law. The Superintendent shall execute all necessary authorizations required by law (including, without limitation, the Health Insurance Portability and Accountability Act of 1996, as amended) to permit the Board to review any such physician statements. The District shall pay all costs of the annual physical examination during the Superintendent's employment with the District. Within thirty (30) days of the effective date of this Contract, and by December 1 in subsequent years beginning December 1, 2022, the Superintendent shall provide the Board President a confidential statement from the physician who conducted her most recent physical examination verifying that the Superintendent does not have any condition that will impair her fitness or ability to perform the essential duties of the position of Superintendent of Schools for the District. The District shall pay all reasonable costs of the examination.

3.9 Business Expenses. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. Such costs may include, but are not limited to, hotels and accommodations, meals, rental car, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies.

3.10 Reimbursement. Whenever the District pays expenses on behalf of the Superintendent, or the Superintendent seeks reimbursement under Paragraph 3.4 for professional growth activities, under Paragraph 3.5 for mileage reimbursement for travel outside of Region 4, under Paragraph 3.6 for civic and professional activities, under Paragraph 3.8 for the annual physical examination, or under Paragraph 3.9 for business expenses, the Superintendent will comply with all policies, procedures and documentation requirements regarding such payments and reimbursement in accordance with Board policy and established procedures, as required by the District's independent auditors, and/or state and federal laws and regulations regarding such business expenses. These expenses will be subject to review by the District's independent auditors.

3.11 Health Insurance. In addition to the base compensation reflected in Paragraph 3.1, for performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to the cost of the employee-paid portion of the health insurance premiums on behalf of the Superintendent and her spouse and dependent children, if any, for the

insurance plan she selects from among those available to District employees. This supplemental salary for services rendered will be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS, will be subject to applicable taxes, and such allowance will not be considered to be a part of any health insurance plan. The Superintendent must comply with all requirements and limitations of the plan the Superintendent selects including, but not limited to, any requirements concerning pre-existing medical conditions.

3.12 Life Insurance. The District shall pay \$150.00 per month for the premium toward the purchase of a term life policy on the life of the Superintendent. The Superintendent shall pay federal income taxes on all premiums paid on such life insurance policy.

3.13 Effect of Termination on Compensation. In the event of termination of this Contract prior to the completion of the term of employment specified herein, for any reason, whether voluntary or involuntary, the Superintendent shall be paid for the days worked and earned by her prior to the date of termination in accordance with the District's normal payroll practices at her daily rate current at that time computed pro rata up to the date of termination, but shall be entitled to no further compensation except as otherwise provided by law or this Contract, or by agreement of the District and the Superintendent. This paragraph and its terms in no way limit the Superintendent's rights to damages for breach of this Contract.

3.14 Texas Teacher Retirement System. For performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to twenty-five percent (25%) of the total amount of the Superintendent's portion of the member contribution to the Texas Teacher Retirement System ("TRS") during the Term of this Contract, including any extensions thereof. This supplement shall include both the retirement and TRS-Care parts of the TRS member contribution, as applicable. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS.

In connection with the necessary relocation of the Superintendent and the Superintendent's family to the District, the District shall pay directly or reimburse the Superintendent for necessary and reasonable expenses incurred in moving the Superintendent's family and belongings. The Superintendent shall obtain at least three (3) estimates of moving expenses for her furniture and belongings from recognized national moving companies and the District shall pay the lowest of the three (3) estimates. The Superintendent shall document all expenses with receipts, cancelled checks or credit card statements and the District shall reimburse the Superintendent for all such documented expenses, within thirty (30) days of the District's receipt of such documented expenses, so long as those expenses are incurred within one year of the execution of this Contract. The District will either pay the moving company directly or reimburse the Superintendent.

3.16 Benefits. In addition to the benefits expressly set forth herein, the District shall provide other benefits to the Superintendent as provided to District administrative employees on two hundred twenty-six (226) day contracts by state law and Board policies. The Board reserves the

right to amend its policies at any time during the term of this Contract to reduce or increase the benefits not expressly provided herein, at the Board's sole discretion.

IV. Annual Performance Goals

4.1 Development of Goals. The Superintendent shall submit to the Board each year, for the Board's consideration and adoption, a preliminary list of goals for the District. The goals approved by the Board shall at all times be reduced to writing and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The District Goals approved by the Board shall be specific, definitive and objectively measurable, to the extent feasible. The Board agrees to work with and support the Superintendent in achieving the District Goals.

4.2 On or before October 1 of each year during the term of this Contract, the Board and the Superintendent do hereby agree to review, revise, approve, and reduce to writing the District goals.

V. Review of Performance

5.1 Time and Basis of Evaluation. The Board shall evaluate and assess in writing the performance of the Superintendent each year during the term of this Contract. The summative evaluation will be in January each year, a mid-year formative evaluation will be done between April and June of each year, and an evaluation will be done at such other times as deemed necessary and appropriate by the Board. The evaluation and assessment shall be in accordance with Board policies and state and federal law and shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description, Board policies, lawful Board directives, the goals adopted in Paragraphs 4.1 and 4.2, and as prescribed by law.

5.2 Confidentiality. Except as permitted by applicable law, the evaluation of the Superintendent shall at all times be conducted in closed session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

5.3 Evaluation Format and Procedure. The evaluation format and procedure shall be in accordance with the evaluation instrument selected by the Board, the Board's policies, state law and with the input of the Superintendent. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. If the Board deems that the evaluation instrument, format and/or procedure is to be modified by the Board, and such modifications would require new or different performance expectations, such modifications must be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.

VI. Renewal, Nonrenewal or Termination of Employment Contract

6.1 Renewal/Nonrenewal. Renewal or nonrenewal of this Contract shall be in accordance with Board policy and applicable state and federal law.

6.2 Mutual Agreement. This Contract may be terminated by the mutual agreement of the Superintendent and the Board in writing, upon such terms and conditions as may be mutually agreed upon.

6.3 Retirement or Death. This Contract shall be terminated upon the retirement or death of the Superintendent.

6.4 Resignation. The Superintendent may leave the employment of the District at the end of a school year without penalty by filing a written resignation with the Board. The resignation must be addressed to the Board and filed no later than the forty-fifth (45th) day before the first day of instruction of the following school year. The Superintendent may resign, with the consent of the Board, at any other time.

6.5 Disability of Superintendent. Should the Superintendent be unable to perform any or all of the essential duties of her position, with or without reasonable accommodation, by reason of illness or accident, she may use all accumulated state sick leave days, local sick leave days, nonduty days, and any other leave available to the Superintendent pursuant to applicable law. After exhausting all applicable leave days, if the Superintendent cannot resume her duties, a determination of disability will be made by the Board based on a physical examination performed by a licensed physician selected by the Superintendent. The Board may obtain a second opinion from another licensed physician of its choosing. If the Superintendent is determined to be disabled and incapable of resuming all of her material duties and obligations of employment, with or without reasonable accommodation, the District and the Superintendent hereby mutually agree that this Contract will terminate at that time without the necessity of any further action by the Board or the Superintendent, and the Superintendent hereby waives all her rights to a hearing in consideration for the payment of three months' salary and benefits by the District upon termination of this Contract due to disability; provided that any such payment shall be made no later than the 15th day of the third month following the calendar year of the date of the termination of this Contract due to disability. During any period when the Superintendent is unable to perform any or all of her duties by reason of illness or accident, with or without reasonable accommodation, the Board may appoint a person as acting superintendent until the Superintendent is able to resume her duties if the Board determines it is in the best interests of the District to do so.

- a. Failure to fulfill duties or responsibilities as set forth under the terms and conditions of this Contract;
- b. Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of
