

## STAAR TEST SCORES

These are instructions for parents on how to retrieve Student State Assessment History Reports through the Student Portal with and without the access code.

1) Navigate to <https://www.texasassessment.com/>

2) Select FOR FAMILIES

3) Select Log In to Student Portal

4) Enter Student Access Code and Date of Birth on Texas Assessment Data Portal

A screenshot of the Texas Assessment Data Portal login page. At the top left is the Texas state logo and the text "Texas Assessment Data Portal". Below this is a horizontal line. The main heading reads "Enter access code and student date of birth:". There is a form with a text input field labeled "Access Code", followed by three dropdown menus labeled "Month", "Day", and "Year". To the right of these fields is a blue circular button labeled "Go". Below the form are two links: "▶ Where's my access code?" and "▶ Lookup Access Code". At the bottom, there is a paragraph of text: "To log in and view your assessment results, enter your six-character Unique Access Code and the student's date of birth that appears on your most recent STAAR Report Card. The code must be entered exactly as it appears." To the right of this text are two small icons: a download arrow and a refresh/circular arrow.

5) If you don't know the Access Code Select "[Where's my access code?](#)" a Screenshot will show where it can be retrieved from a student's STAAR Report Card of the Previous Year
