TCMS Dress Code 2021-2022

School is a place of learning, and dress code regulations will provide appropriate standards for the general appearance of students. Dress code applies to all before- and after-school functions. Administrators will make every effort to help the students correct dress code violations so they can stay at school before parents are contacted. Students who do not comply will be required to have alternative clothing brought to them. The following outline shall serve as a guide for TCMS.

Shirts:

- Only gold, black, or grey polo style shirts or plain T-shirts are allowed (no images or graphics-small logo acceptable).
- Shirts must cover the chest and torso, and they may not be excessively tight, loose, or see through, or be cut or altered.
- Undergarments must not be visible (tank tops, camisoles, bras and bra straps)
- A TCMS spirit shirt may be worn only on Fridays. Other special dress days will be announced by the district/campus administration on designated days.

Pants:

- Only denim, black or khaki jeans (no other colors) or khaki pants are permitted. Shorts, dresses, skirts, leggings, tight-fitted pants, capris, joggers, or stretch material pants are not allowed. Pants should not be torn or have holes in them. Patches or tights placed under or on top of holes on pants are not allowed.
- Students may not wear athletic shorts showing from their pants/jeans.
- Pants for boys and girls must be worn at the waist and should never expose the underwear whether by accident or intent. Belts must be worn to prevent sagging. Distracting graphics or labels on belts or buckles are not permitted.
