Dear School Choice Parents and Students,

We hope that you all had a safe and restful Winter Break and are ready to enter into our Spring Semester for the 2021-22 school year.

Prior to the break, we had a number of parents who indicated that they were experiencing technical difficulties when they attempted to enter the Student ID in the School Choice online application.

We have identified the error and have developed the following measures to bypass the technical glitch in the application process. Please follow the steps outlined below to address the Student ID error:

- 1) When you begin the School Choice application under the “*Student Lookup (optional)*” portion, answer “**NO**” to question i3, “**Do you have a Spring ISD Student ID?*”
- 2) After you agree to the requirements & policies question, select “*Continue to Application.*”

Begin Application
