

# WHAT TO DO IF YOUR CHILD IS SICK

If your child is ill or showing symptoms of COVID-19 (ex: fever, cough, shortness of breath), **get them tested**. Spring ISD offers free testing sites at Spring and Westfield high schools.

## NEGATIVE

Test Result

Child returns to school if fever-free, without help of medication, after 24 hours

## POSITIVE

Test Result

Contact campus and report case to school nurse

Testing recommended for student's household (unvaccinated household members should quarantine as close contacts, per CDC guidelines)

Vaccinated household members may attend in person if they test negative, no symptoms, and wear a mask

When student returns, he/she should report to nurse for temperature check and present a doctor's note

### Student may return to school IF:

- 10 days have passed since positive test
- Student is fever-free for 24 hours without meds
- Other symptoms have improved
