

Winship Elementary

Providing Service and Support to Our Parents and Students

Dear Parents:

On behalf of the staff at Winship Elementary, I am happy to welcome you to the 2023-24 school year! We are looking forward to a productive partnership with you to ensure our scholars can achieve their highest potential. We recognize that in order to be successful in school, our students need support from both the home and school. We know a strong partnership with you will make a positive impact in your child's education. As partners, we share the responsibility for our scholars' successes and want you to know that we will do our very best to fulfill our responsibilities.

We ask that you guide and support your child's learning by ensuring that he/she:

- 1) *Attends school daily and arrives on time, ready for the day's learning experience*
- 2) *Completes all homework assignments given by teachers*
- 3) *Reads daily to develop a love for reading and to improve literacy skills*
- 4) *Shares school experiences with you so that you are aware of his/her school life*
- 5) *Informs you if he/she needs additional support in any area or subject*
- 6) *Knows that you expect him/her to succeed in school and eventually go to college.*

I look forward to continuing our partnership in producing the top students with in our glorious nation and prestigious district.

We Win as a Team,

Todd M. Armelin

Principal
