

## BAILEY MIDDLE SCHOOL TITLE I PARENT INVOLVEMENT POLICY

In order to encourage excellence for our students, Bailey Middle School staff and parents have created a Parent Involvement Policy which includes activities as outlined in section 1118 of the Elementary and Secondary Act (ESEA). In accordance with this policy, Bailey Middle School agrees to:

- Convene an *annual meeting* to explain the Title 1 program to parents and inform them of their right to be involved in the program;
- Offer a flexible number of meetings to meet parent's needs. Title 1 funds may be used to pay *related expenses* associated with the meeting(s);
- Involve parents in an "organized, ongoing and timely way" in *planning, review and improvement* of Bailey's Title 1 program;
- Provide timely information about its Title 1 programs to parents, describe the curricula and expectations for student assessment and proficiency levels, provide opportunities for regular meetings, and respond promptly to parent suggestions;
- Ensure timely notification to each parent when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified;
- Maintain open lines of communication between school and home providing parents the opportunity to submit their view regarding Bailey Middle School's school-wide program plan.

In order to build capacity for involvement, the Bailey Middle School staff will provide assistance to parents in such areas as understanding the Texas Essential Knowledge and Skills (TEKS) standards and student performance standards. They will also offer assistance on information about state and local assessments and how to monitor their child's progress. Bailey Middle School staff members will also provide parents with information as to how they can work with educators to improve the performance of their children and information as to how they can participate in decisions relating to the education of their children. This information will be shared at the annual meeting mentioned above and on the web site.

Bailey Middle School will provide structured opportunities to help parents work with their children to improve achievement. Materials will be distributed throughout the year by way of e-mail, pamphlets, written notices, marquee messages, phone messages, and/or school and teacher web pages. These activities include, but are not limited to Family Curriculum Nights, Academic Parent Night workshops and grade level specific parent information nights.

To the extent feasible and appropriate, Bailey Middle School will invite parents of eighth grade students to fully participate in activities that help children have a smooth transition from middle to high school. Bailey Middle School will ensure, to the greatest extent possible, that information related to school and parent programs, meetings and other activities is sent to the home of participating children in the language used in homes.

Bailey Middle School will provide reasonable support for parental involvement activities as parents may request. They will take suggestions from parents by e-mail, verbally, or in written form.

To the extent that is practical, Bailey Middle School will provide full opportunities for the participation of parents with limited English proficiency or with disabilities, including providing information and school profiles in a language and format that parents understand.

In collaboration with parents, Bailey Middle School has created a school- parent compact.
