Dear Parents

Dueitt Middle School is committed to increasing student achievement and preparing all of its students for college and/or career upon graduation.

We believe with the commitment from the community, teachers, parents, administrators and students we can improve the quality of education for our students at Dueitt Middle School.

In order to fulfill this commitment, campus administrators will spend more than 50% to 70% of their work week in classrooms and learning communities supporting teaching and learning. The most important thing we can do as campus leaders is to monitor the quality of instruction and services our students are receiving and offer support to our students and teachers.

We do believe that parents are our partners and we value communication with you. Therefore, the administrative team has created a schedule to ensure that there is always an administrator available to speak with and serve you when you drop in or telephone. Additionally, we have "Coffee with the Principal" every third Monday of the month at 9:00 a.m. in the library. We encourage your attendance and look forward to continuous communication.

For those times when you want to speak with any of the administrative team privately, please contact the school's secretary at (281) 891-7800, she will schedule a time to conference or take a message for us to return within 24 to 48 hours. In the event that there is an emergency, someone from the administrative team will be available. Thank you for your ongoing support of Dueitt Middle School, your patience and your understanding.

Sincerely,

Eric Mullens, Principal
