Dear Warrior Parents and Scholars,

As the principal of Twin Creeks MS, I am elated to welcome everyone back to a soon to be TEA B Rated Campus and another year of success. We are all excited to have our scholars back in our classrooms, hallways and athletic fields filling them with energy and enthusiasm for learning. It is our mission to ensure every scholar feels welcomed, connected and a part of our Warrior Nation. At Twin Creeks, we have phenomenal teachers who spend countless hours planning engaging lessons to produce critical thinkers.

I hope you all are as eager as the staff and I are for your scholars to return to school. We are looking forward to opening our doors and greeting our scholars August 16, 2022. Our doors will open daily at 8:45 AM to receive our scholars. Our school day begins promptly at 9:05 AM and ends at 4:25 PM daily. Please begin preparing our scholars for their new arrival time. Click on this link <https://www.springisd.org/Page/6717> to view the bell schedule on our website. You may also find other important information on our website as well including the Dress Code, Cell Phone Policy and the Student Code of Conduct.

As we prepare to begin welcoming our students back into the classrooms, please be assured that safety will continue to be of utmost importance. Although masks are not required, students have the option to supply and wear their own masks. We will not provide masks this year.

To ensure everyone is aware of our expectations, please read our Student Newsletter that will be emailed weekly. I would like to share some important dates and information with you that will assist us with having a smooth opening. Our Warrior Camp will be held **August 9 from 5-6:30 pm** for all incoming 6th Graders and any 7th and 8th Graders new to Twin Creeks.

To ensure our students are empowered and equipped for academic growth and achievement at their highest potential, we need your support. Attached with you will see our [school supply list](#). Yes, students need school supplies to ensure learning is engaging and fun. We know with your support our scholars will be successful both academically and socially.

To ensure a safe and efficient first day of school, we will have a "drop and go" policy so our scholars may come in and reacclimate themselves into our school. In addition, to ensure a smooth entry and exit, we are asking parents to view the link for our [car rider procedures](#).
