

BAMMEL ELEMENTARY

August 3, 2018

Dear Bammel Parent(s) / Guardians(s):

From your administration, faculty and staff, we would like to say Welcome Back! We are eager to have you on campus of Bammel Elementary for the 2018-2019 school year.

While the beginning of the 2018-2019 school year is fast approaching, we are working to make sure that student achievement and safety are our number one priorities. We encourage parental involvement and community support. It is very important that students realize a strong connection between parents and the school to deliver the best education possible. Our focus in the classroom includes the following components: rigorous instruction, relationships that foster self-discipline and parental-community involvement.

Grade level lunch times will be closed to visitors Wednesday, August 15th – Friday, August 17th as we work to teach students lunchroom routines and expectations. For the 2018-2019 school year, parents will only be allowed to eat lunch with students on Mondays and Wednesdays during the week. You are more than welcome to send a lunch with your child.

Please review the following information that will provide you with campus expectations and guidelines.
