What skills and abilities do you have that you feel will serve you well in your service as a trustee on the Board?

My work as an educator keeps me abreast of the changes, opportunities, and challenges set forth by TEA as well as the National Association of Colleges and Schools. My work has granted me access to school districts across the state. My access, education, expertise and experience yield me insight into the needs of teachers and administrators and the desires and academic requirements set forth for students.

What knowledge or prior district involvement do you feel will serve as an asset during your term?

My education and work experience will serve as an asset in my contribution as a trustee of the Spring ISD school Board. My work on the Spring ISD Educational Foundation for over 10 years as a Board Director will provide and insight to the needs of schools, teachers, and students within the district.
