Imagine an entire team of experts working together to care for you and those you love. That’s what Dr. Mavis Kelsey dreamed of 68 years ago when he returned to his home state of Texas from a position at the prestigious Mayo Clinic. This fifth-generation Texan was convinced that Houston families needed the Mayo Clinic model of “collaborative care” — where physicians practice together and share information to provide the best for their patients. And that’s what he set out to create when he founded Kelsey-Seybold Clinic in 1949.

Today, Kelsey-Seybold Clinic is one of Houston’s most trusted names in healthcare and the nation’s first accredited Accountable Care Organization. We bring together physicians in more than 50 medical specialties to collaborate on patient care. We are affiliated with quality hospitals in the local community and in the renowned Texas Medical Center. We invest in technology like our electronic medical record shared by all our providers. We know that communication and trust are the basics that ground everything we do.

L-R: Dr. Marie Maurice, Chief of Dermatology; Dr. Ali Mortazavi, Chief of Cardiology; Dr. Glenn Landon, Chief of Orthopedics; Dr. Tahiri Baker, Family Medicine and Co-Managing Physician, Tanglewood Clinic; and Dr. John I. Hughes, Gastroenterology and Associate Medical Director of Clinical Academic Affairs and Affiliations.
Convenient Locations Close to Home and Work

Welcome to Kelsey-Seybold.
Welcome to Convenience.

Kelsey-Seybold Clinic offers around-the-clock conveniences and services including:

24-Hour Appointment Scheduling at 713-442-0000
Enjoy the convenience of 24/7 appointment scheduling at 713-442-0000 or toll free at 1-800-231-6421. You can self-schedule appointments for Family Medicine, Internal Medicine or Pediatrics with AppointmentsNOW. Go to kelsey-seybold.com/NOW.

Online Appointment Scheduling with MyKelseyOnline
With MyKelseyOnline, you can securely and privately email questions to your doctor’s office, view most test results and directly schedule appointments with Kelsey-Seybold primary care doctors and a growing list of specialists. Download the free app at kelsey-seybold.com/app to schedule appointments online from any mobile device (Android or Apple).

The Reassurance of Our After-Hours Nurse
When you call 713-442-0000 after regular business hours and on holidays, you can speak with a Kelsey-Seybold registered nurse. Our After-Hours Nurse can answer your questions, page the physicians on call if necessary and schedule appointments.
Kelsey Pharmacy with 16 convenient locations
You can have your prescription filled right where you see your doctor.

Saturday Appointments for Ill or Injured Patients
When someone in your family is ill, call our 24-hour Contact Center at 713-442-0000 on a Friday evening or Saturday morning for a Saturday ill-care appointment at four convenient locations.

Secure Electronic Medical Record (EMR)
You can see any Kelsey-Seybold doctor at any location. Your secure and confidential electronic medical record (EMR) follows you wherever you go.

Nationally Recognized for Excellence
The prestigious National Committee for Quality Assurance (NCQA) named Kelsey-Seybold Clinic the nation’s first accredited Accountable Care Organization (ACO) in 2012. We’re still Houston’s only NCQA-accredited ACO. As a Kelsey-Seybold patient, this means you’re connected to a caring and compassionate team of doctors who work together to deliver the high-quality, efficient, patient-centered care you deserve.
The Kelsey-Seybold Ambulatory Surgery Center

The Kelsey-Seybold Ambulatory Surgery Center is one of the Houston area’s premier day hospital destinations, providing a wide array of surgical services delivered by Kelsey-Seybold’s experienced surgical physicians and nurses. We provide the level of care you’d expect during a stay in an in-patient hospital with the added benefit of returning home on the same day.

The Ambulatory Surgery Center (ASC) is accredited by the Accreditation Association for Ambulatory Health Care (AAAHC) and licensed by the Texas Department of Health. The ASC is also recognized by the American Society of Gastrointestinal Endoscopy for Superior Quality and Safety and nationally benchmarked by Press Ganey for patient satisfaction.

Kelsey-Seybold Clinic offers two locations for the Ambulatory Surgery Center:

- Our **Main Campus** near the Texas Medical Center at 2727 W. Holcombe Blvd.
- Our **Spring Medical and Diagnostic Center** at and Steubner Airline on FM 1960.

Both locations offer free parking.
The Kelsey-Seybold Breast Diagnostic Center

Fast Tracking the Breast Diagnostic Process
At the Kelsey-Seybold Breast Diagnostic Center, you can count on:

- A fast-track diagnostic program that provides answers and a plan of action in days, not weeks.
- Comprehensive breast health services that regularly exceed national best practice standards.
- Confidence in knowing you are in skilled hands at a healthcare facility that uses digital technology.
- Peace of mind that you are getting quality care at a center the American College of Radiology has designated a Breast Imaging Center of Excellence.

Kelsey-Seybold Clinic offers two locations for its nationally recognized Breast Diagnostic Center:

- Our Main Campus near the Texas Medical Center at 2727 W. Holcombe Blvd.
- Our Spring Medical and Diagnostic Center at 15655 Cypress Woods Medical Drive between Kuykendahl and Steubner Airline on FM 1960.

Both locations offer free parking.

Kelsey-Seybold Clinic
Breast Diagnostic Center
Recognized for Excellence in Breast Health
(National Consortium of Breast Centers, Inc.)
Three Technological Advances Allow Us to Deliver State-of-the-Art Cancer Treatment

1. **Advanced Technology Before Radiation Treatment Begins** – The newly expanded Kelsey-Seybold Main Campus Cancer Center is the only location in Houston to offer the GE Discovery IQ PET/CT simulator, which enables radiation oncologists to use information on the tumor’s location to more precisely pinpoint where radiation is needed. It also supports more complex radiation treatment planning when needed.

2. **Vision RT during Radiation Therapy** – Kelsey-Seybold is one of only a few healthcare organizations in Houston to offer advanced Vision RT technology. It’s a real-time motion management tool that ensures each patient is set up in the correct position before radiation therapy and tracks any movement during treatments. It adds to patient safety by making sure our patients are positioned correctly day-in, day-out.

3. **Varian TrueBeam™ and Varian Edge™ Advanced Technology Precisely Targets Cancer Cells** – A state-of-the-art approach to cancer treatment, The Varian TrueBeam and Varian Edge advanced technology safely delivers radiation therapy at a faster dose rate than more conventional linear accelerators and minimizes the daily impact on the patient’s personal schedule. The radiation beams precisely target cancerous cells while nearby healthy cells are minimally exposed. It’s ideal for treating tumors of the brain, spine, lung, abdomen, breast, prostate, head and neck. This advanced system allows us to safely treat patients with even the most complex cancers.
“The Kelsey-Seybold Cancer Center is nationally accredited and follows the most current, cancer treatment guidelines as established by the National Comprehensive Cancer Network (NCCN). This means our patients receive the same nationally established treatment protocols for common cancers as they would at any leading cancer center in the country.”

– Dr. Tejash “TJ” Patel,
Chief of Hematology and Oncology

**Nationally Accredited Treatment.**
**Highly Personalized Care.**

The Kelsey-Seybold Cancer Center is the first freestanding cancer program in the nation to be accredited with multiple commendations from the Commission on Cancer of the American College of Surgeons. Our cancer program follows the most current cancer treatment protocols as set by the National Comprehensive Cancer Network (NCCN). These nationally established guidelines include:

- Comprehensive services.
- A multispecialty team approach.
- State-of-the-art diagnostics and imaging.
- Psychosocial/educational guidance.
- Fully accredited Breast Diagnostic Center.
- Cancer Registry with lifelong follow up.

The biggest difference our Cancer Center makes for patients is our highly personalized approach to care, which helps improve the patient experience throughout every aspect of treatment.
Board-Certified Cancer Team

At the Kelsey-Seybold Cancer Center, patients get connected to their board-certified cancer team within days. This includes:

- Hematologists
- Medical oncologists
- Radiologists
- Pathologists
- Oncology surgeons
- Formulating pharmacists
- Nurse Practitioners

Nurse Navigator and Social Worker

As part of the cancer treatment team at the Kelsey-Seybold Cancer Center, patients also have the full support of a nurse navigator and a social worker. They will answer patients’ questions, provide support services and offer guidance in any aspect of their cancer treatment. They are invaluable resources in each patient’s fight against cancer.

Breast Reconstructive Surgery

Our board-certified plastic surgeon, Jamal M. Bullocks, M.D., F.A.C.S., is skilled in advanced procedures to help restore a breast to near normal shape and appearance after mastectomy. Breast reconstruction typically involves several procedures performed in multiple stages. Dr. Bullocks and his team help patients make a thoughtful decision about which option is best for them.

Breast Cancer Support Group

Our breast cancer patients are supported by Houston’s largest attended Breast Cancer Support Group. Together, they share concerns and grow in knowledge, understanding and compassion.

Kelsey Pharmacy
Your Pharmacists for Life

Your Prescription for Convenience

Kelsey-Seybold pharmacies are located at 15 of our clinics. We stock over-the-counter products, like the big stores, and offer the personal touch of your local corner drugstore.

Kelsey rE-fills

- Refill online with your MyKelseyOnline account or at kelsey-seybold.com.
- Get free mail-order delivery to your home or office.
Important Telephone Numbers

TTY/DD .............................................................................................................. 713-442-5818
Text communication for individuals using a telecommunications device.

24-Hour Appointment Scheduling .................................................................. 713-442-0000
or toll free: 1-800-231-6421
Our Customer Service Contact Center operates 24 hours a day, 7 days a week for your convenience.

Business Office ............................................................................................. 713-442-5500
For billing questions and information about health plans accepted.

After-Hours Nurse Hotline .......................................................................... 713-442-0000
or toll free: 1-800-231-6421
Speak with a Kelsey-Seybold nurse after regular business hours, on holidays and on weekends. Our After-Hours Nurse can assist you and refer you for care.

Diabetes Education ....................................................................................... 713-442-0340
Provides individual and group classes by certified diabetes educators.

Medical Emergency ....................................................................................... 911
Call 911 for life-threatening medical emergencies. Bring your insurance card to the hospital and contact your health plan as soon as possible.

MyKelseyOnline Help Line .......................................................................... 713-442-6565
For assistance signing up for MyKelseyOnline or for help with setting up or using your account, call the Help Line at 713-442-6565. This service is available Monday-Friday, 8 a.m. to 5 p.m.

Nutrition Counseling ..................................................................................... 713-442-0341
Provides individual and group nutrition counseling by a Registered Dietitian.

Poison Control .............................................................................................. 800-764-7661
Gives step-by-step instructions on caring for a child or adult who comes in contact with a poison.

Release of Information ............................................................................... 713-442-5700
Provides authorization for release of healthcare information.

Social Services .............................................................................................. 713-442-0466
Provides referral to Social Services for support and guidance on health-related issues.
MyKelseyOnline – Your Secure Connection to Kelsey-Seybold

MyKelseyOnline, our secure patient portal, lets you:

- Book your own appointment with a Kelsey-Seybold primary care physician and an expanding list of specialists.
- Email your doctor’s office.
- Get most test results.
- Pay your bills online.
- Request prescription refills.
- And more!

Sign up today at MyKelseyOnline.com.

Download the app to book appointments online from any mobile device (Android or Apple)

Search for MyChart in the apps store on your mobile phone. After you download the app, you’ll be prompted to search for your medical provider. Click on Kelsey-Seybold Clinic, then click the “+” icon to automatically go to the MyKelseyOnline log-in page. You’re now ready to book appointments online!

For personalized assistance in setting up your account or downloading the app, call the MyKelseyOnline Help Line at 713-442-6565. This service is available Monday-Friday, 7 a.m. to 7 p.m., and on Saturday, 7 a.m. to 2 p.m.
My Doctor’s Visit Checklist

☐ Make a list of your questions and concerns.

☐ Take someone with you to write down reminder notes.

☐ Bring a list of your current prescriptions or bring the bottles.

☐ Inform your physician of any medical concerns or questions you have.

☐ Plan to arrive at least 15 minutes early for your first visit.

☐ Take information home and ask where more information can be found.

☐ Keep track of your test results or ask your doctor to sign you up for MyKelseyOnline so you can get most test results and schedule appointments online.

Notice Regarding Contract Providers
Some physicians and allied health professionals providing medical services at Kelsey-Seybold Clinic are independent contractors. They are not the agents, servants or employees of Kelsey-Seybold Clinic. Providers can be identified by their I.D. badges.

Noticia Referente a Proveedores a Contrato.
Algunos médicos y profesionales de la salud aliados proporcionando servicios médicos en Kelsey-Seybold Clinic son contratistas independientes. Ellos no son agentes, servidores o empleados de Kelsey-Seybold Clinic. Los proveedores pueden ser identificados por sus distintivos o gafetes.
