

# Hirsch Elementary School – Car Rider Routes

Dear Parents/Guardians,

We are expecting to have many more car riders this year than in previous years. In order to ensure the safety of all children and efficient traffic flow, please follow the suggested routes.

**For Morning Drop-Off:** You may use Entrance A or Entrance B. Please follow the arrows and avoid left hand turns.

**For Afternoon Pick-Up:** Pick up students in *Grades 3-5* using Entrance A and students in *Grades K-2* using Entrance B. Older siblings will be in the area of the younger sibling.

Thank you so much for your support and cooperation!
