The Spring Way

Preface
The purpose of the Spring ISD Performing and Visual Arts Handbook is to supply a guiding framework of policies and procedural expectations, which align the District and PVA Missions and Visions.

Spring ISD Vision Statement
Spring Independent School District will be a district of choice known for quality academics with innovative and specialized programs that meet the needs of all students in a positive learning environment.

Spring ISD Mission Statement
Spring Independent School District prepares students to be lifelong learners, critical thinkers and responsible citizens who display good character – ready to contribute, compete and lead in today's global society.

Spring ISD Guiding Principles

1. High-quality teaching drives student learning.

2. Literacy is the foundation of academic success.

3. The learning needs of each student must be met.

4. Students learn best in safe environments where school leaders cultivate parent and community partnerships.
Holistic PVA Department Goals

1. Teach the Texas Essential Knowledge and Skills through sequential lessons designed to provide a foundation in fine arts literacy, improvement of technical skills, and nurture artistic development.

2. Provide all students with a standards-based arts experience delivered by teachers who are certified in either performing or visual arts.

3. Increase student engagement and improve the culture and climate in our schools by providing the highest performing and visual arts experiences possible.

4. Foster the development of creativity and self-expression.

5. Develop higher level critical thinking skills, including decision-making, reasoning, and problem solving.

6. Develop leadership, self-discipline, integrity, and personal responsibility in a collaborative and cooperative learning environment.

7. Provide a variety of opportunities for diverse performances, exhibitions, and enrichment activities.

8. Provide opportunities for groups and individuals to attain the highest standards of achievement and recognition in art, dance, music and theatre.
General PVA Department Policies and Procedures

1. Teachers are required to review and abide by the administrative procedures for their campuses.

2. All fine arts programs will comply with the rules and policies of the University Interscholastic League (UIL), the Texas Music Educators Association (TMEA), the Texas Educational Theatre Association (TETA), the Texas Art Education Association (TAEA), the Texas Dance Educators Association (TDEA), the Texas Education Agency (TEA), the State Board of Education (SBOE), and the Spring Independent School District (SISD).

3. Judging, attending college, or working additional jobs outside of the district should not interfere with a teaching assignment.

4. Permission for a teacher to miss school for any reason, including contests and enrichment events, must be obtained in advance from the campus principal.

5. Teachers will attend all Spring ISD in-services, professional development training sessions, district meetings, professional organization meetings, and UIL meetings. Permission to be absent requires permission in advance from the building principal and the office of Performing and Visual Arts.

6. Every program will provide performance opportunities for every student enrolled in the program no less than once per semester.

7. All performing groups at the secondary level will prepare for and attend the Spring ISD Pre-UIL and UIL Contest as appropriate.

8. All teachers are encouraged to visit feeder schools as often as possible without interfering with their own teaching assignment or the campus they are visiting.

9. All campus performances, shows, and art exhibits must have prior approval of the Principal, the guest Principal (if performing on another campus), and the office of Performing and Visual Arts.

10. Students who are academically ineligible are to continue practicing or preparing with the group during rehearsals/class time during the instructional day, but may not participate in extra-curricular competitions or performances. Ineligible students may not be excluded from receiving equitable educational instruction during regular class periods.

11. Teachers will not receive compensations for teaching private lessons to students whom they maintain academic records. Teachers may teach private lessons to students from other schools.

12. All teachers are expected to keep rehearsal rooms, storage rooms, practice rooms, Performing Arts Centers (PAC), offices, and performance areas secure, neat, and orderly. Any damage to a room is to be reported immediately to the building Principal.

13. Each program will have a handbook aligned with the district PVA requirements and policies. This handbook will clearly outline the operations of the program in detail, and

Last Revised: July 2018
will include student/parent/teacher contracts for instruments, uniforms, attendance, conduct and travel. All signed contracts are to be filed in the teacher’s office.

14. An electronic copy of all principal approved program handbooks is due no later than 4:00pm on the first Friday of September to the Office of Performing and Visual Arts. The Principal’s signature must be present.

15. Any and all PVA resources allocated with the intent of benefiting any Spring ISD students must have prior approval from the Director of PVA. This additional approval does not replace any required approval already in place. PVA resources include but are not limited to PVA General Fund, PVA Campus Fund, Campus Activity Account, Booster Account (regardless of 501(c)3 status), or grants.

16. All Sunday student activities require PVA department and administrative approval. Please submit any Sunday activity requests to the PVA office via email for approval.

Fundraising Policies

There are two types of fundraisers. **Campus activity account fundraisers** are fundraisers conducted by the organization and money is deposited into the activity account. Each campus organization is limited to two activity account fundraisers per year, regardless of the number of account numbers an organization holds. **Booster club fundraisers** are fundraisers organized by the booster club and money is deposited into the booster club bank account. There is currently no limit on the number of fundraisers that booster club organizations may request for approval.

All fundraisers (both campus activity account and booster club) are subject to the following policies:

1. All funds raised by student organizations must be expended for the benefit of the students.
2. Any activity organized by the organization or booster club to be held on school property shall require approval from the principal or others deemed appropriate. Therefore, in order to comply with this policy, all organizations and booster clubs must obtain the principal's approval before holding a fund-raiser by completing the electronic **fund raiser approval form** at least two weeks prior to the start of the fund-raiser.
3. **All fund raisers must be approved by the campus principal.** Each campus’s building secretary and/or financial bookkeeper is responsible for the collection of these forms. The fundraising approval document is a .pdf document that must be completed electronically and submitted to the campus bookkeeper and principal electronically for approval. The school principal shall review the form and make the decision to approve or disapprove it. If not approved, the principal will communicate with the organization with explanation of the reason. If it is approved, he/she electronically signs the form and then sends a copy to the bookkeeper, financial services, and the organization director.
4. As the Fund Raising Project ends, the club sponsor will complete the bottom portion of the form and submit the form to the school bookkeeper. The bookkeeper signs below this section to verify the information is correct. The principal should review and initial the completed recap and obtain an explanation for significant differences between expected net income and actual net income. A decrease in actual net income should be accompanied by corresponding decrease in actual expenditures. The form must be completed in its entirety.
5. Fund raising activities must not interfere with the instructional program or instructional time. The sale of tickets and the collection of funds must be handled tactfully without exerting pressure on or causing embarrassment to pupils.
6. Food and beverage fund raisers may not be conducted by the students during the normal school day. All food and beverage items sold during the school day must meet the current federal guidelines for nutrition.
7. All fund raising items purchased by teachers or sponsors must follow normal disbursement procedures. Teachers/sponsors may not reimburse themselves for fund raising items purchased with personal funds from cash collected from the sale of fund raising items. All cash collected from the sale of fund raising items must be deposited and payment for items must be dispersed through organization or activity account check only.
8. **A fund raiser may not begin nor merchandise be ordered until the fundraising activity has been approved.**
9. Whether approved or not, the organization must retain every fund raising form issued to them as permanent records.

10. Organizations that conduct unapproved fund raisers may be sanctioned. Sanctions may include the seizure of fundraising funds, the closure of an activity account or booster organization, and/or the prohibition of all future fundraisers.
Be they music, fine arts, academic or athletic, booster clubs should exist to enrich students’ involvement in extracurricular activities without endangering their eligibility.

| GENERAL GUIDELINES |

The role of competition

Participation teaches that it is a privilege and an honor to represent one’s school. Students learn to win without boasting and to lose without bitterness.

Self-motivation and intellectual curiosity are essential to the best academic participants. Artistic commitment and a desire to excel are traits found in music participants. Physical training and good health habits are essential to the best athletes. Interscholastic competition is a fine way to encourage youngsters to enrich their education and expand their horizons.

Leadership and citizenship experiences through school activities help prepare students for a useful and wholesome life.

Plus, competition is fun!

Role of the Superintendent

Member schools make UIL rules and determine policies regarding penalties to schools, school district personnel and student participants. The superintendent is solely responsible for the entire UIL program. All school activities, organizations (including the booster club), events and personnel are under the jurisdiction of the superintendent. Booster clubs must recognize this authority and work within a framework prescribed by the school administration.

Role of Booster Clubs

Neighborhood patrons form booster clubs to help enrich the school’s participation in extracurricular activities. The fund-raising role of booster clubs is particularly crucial in today’s economic climate.

Written Policies

Booster clubs should develop and annually review policies to cover:

* how to obtain administrative approval before beginning projects;
* how to plan and publicize meetings;
* bookkeeping and fund administration including process to obtain superintendent’s approval prior to raising or spending funds;
* election of officers (suggestion: one president; one secretary; one treasurer; and three vice - presidents: one vice
president to oversee fall, winter and spring sports); *taking, distributing and filing minutes; *public communication; *proper interaction with fine arts directors and academic and athletic coaches through the lines of authority as established by the school board; *a sportsmanship code governing behavior of booster club members and fans at contests, treatment of officials, guests, judges, etc.; and *plans to support the school regardless of success in competition, keeping the educational goals of competition at the forefront of all policies.

**Relationship with the school**

The superintendent or a designee who does not coach or direct a UIL contest has approval authority over booster clubs and should be invited to all meetings. All meetings should be open to the public.

*Booster clubs do not have authority to direct the duties of a school district employee. The scheduling of contests, rules for participation, methods of earning letters and all other criteria dealing with inter-school programs are under the jurisdiction of the local school administration.*

*Minutes should be taken at each meeting and kept on file at the school.*

*School administration should apprise booster clubs of all school activities.*

*Booster clubs should apprise school administrators of all club activities.*

*Periodic financial statements itemizing all receipts and expenditures should be made to the general club membership and kept on file at the school.*

| **CLUB FINANCES** |

**Fundraising | Spending | Stipends | Gifts to Coaches**

Money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the school to use at its discretion.

*Fund-raising projects are subject to state law. Nonprofit or tax-exempt status may be obtained from the Internal Revenue Service.*

*Community-wide sales campaigns should be coordinated through the school administration to minimize simultaneous sales campaigns.*

*Sales campaigns should be planned carefully to insure that the projects provide dollar value for items sold, and that most of the money raised stays at home. Otherwise donations are often more rewarding than letting the major part of the money go to outside promoters.*

*Fund-raising activities should support the educational goals of the school and should not exploit students. Activities and projects should be investigated carefully before committing the school’s support.*

*Individuals who actively coach or direct a UIL activity should serve in an advisory capacity to the booster club and should not have control or signature authority over booster club funds, including petty cash or miscellaneous discretionary funds. Coaches wish-lists should have received prior approval from school administration before submission to boosters.*

*Coaches and directors of UIL academics, athletics and fine arts may not accept more than $500 in money, product or service from any source in recognition of or appreciation for coaching, directing or sponsoring UIL activities. The $500 limit is cumulative for a calendar year and is not specific to any one particular gift.*

*The district may pay a stipend, fixed at the beginning of the year, as part of the annual employment contract. The amount of the stipend can’t depend on the success of a team or individual. In other words, a coach can’t receive more money if a team or individual qualifies to region or state.*

*Funds are to be used to support school activities. To provide such funding for non-school activities would violate UIL rules and the public trust through which funds are earned.*

| **ATHLETIC BOOSTERS** |

**Club restrictions**

Booster clubs cannot give anything to students, including awards. Check with school administrators before giving anything to a student, school sponsor or coach. Schools must give prior approval for any banquet or get-together given for students. All fans, not just members of the booster club, should be aware of this rule. It affects the entire community.

*Unlike music and academic booster clubs, athletic booster club funds shall not be used to support athletic camps, clinics, private instruction or any activity outside of the school.*

*Booster groups or individuals may donate money or merchandise to the school with prior approval of the administration. These kinds of donations are often made to cover the cost of commercial transportation and to cover costs for out-of-town meals. It would be a violation for booster groups or individuals to pay for such costs directly.*

*Individuals should be informed of the seriousness of violating the athletic amateur rule. The penalty to a student-athlete is forfeiture of varsity...*
athletic eligibility in the sport for which the violation occurred for one calendar year from the date of the violation. Student athletes are prohibited from accepting valuable consideration for participation in school athletics - anything that is not given or offered to the entire student body on the same basis that it is given or offered to an athlete. Valuable consideration is defined as tangible or intangible property or service including anything that is usable, wearable, salable or consumable. Local school districts superintendents have the discretion to allow student athletes to accept, from their fellow students, small ‘goodie bags’ that contain candy, cookies or other items that have no intrinsic value and are not considered valuable consideration.

*Homemade “spirit signs” made from paper and normal supplies a student purchases for school use may be placed on the students’ lockers or in their yards. Trinkets and food items cannot be attached. Yard signs made of commercial quality wood, plastic, etc. if not purchased or made by the individual player’s parent, must be returned after the season.

*The school may provide meals for contests held away from the home school. If the school does not pay for meals, the individual parents need to purchase their own child’s food. Parents may purchase anything they wish for their own child but may not provide food for their child’s teammates unless approved by the school. The school may also provide supplies for games and practices and transportation for school field trips. Students should pay admission fees during school field trips.

*Parties for athletes are governed by the following State Executive Committee interpretation of Section 441 of the UIL Constitution & Contest Rules.

Official Interpretation of the UIL Athletic Amateur Rule, section 441 of the UIL Constitution and Contest Rules:

(a) VALUABLE CONSIDERATION SCHOOL TEAMS AND ATHLETES MAY ACCEPT:

1. Pre-Season. School athletic teams may be given pre-season meals, if approved by the school.

2. Post-Season. School athletic teams may be given post-season meals if approved by the school. Banquet favors or gifts are considered valuable consideration and are subject to the Awards and Amateur Rules if they are given to a student athlete at any time.

3. Other. If approved by the school, school athletic teams and athletes may be invited to and may attend functions where free admission is offered, or where refreshments and/or meals are served. Athletes or athletic teams may be recognized at these functions, but may not accept anything, other than food items, that is not given to all other students.

(b) ADDITIONAL VALUABLE CONSIDERATION THAT SCHOOL TEAMS AND ATHLETES MAY ACCEPT

Examples of additional items deemed allowable under this interpretation if approved by the school, include but are not limited to:

1. meals, snacks or snack foods during or after practices;

2. parties provided by parents or other students strictly for an athletic team

Local school district superintendents continue to have the discretion to allow student athletes to accept small “goodie bags” that contain candy, cookies or other items that have no intrinsic value and are not considered valuable consideration.

**ACADEMIC BOOSTERS**

The rules for athletics are different than the rules for academics and music. Athletes are restricted by the Athletic Amateur Rule, which states that athletes cannot accept money or valuable consideration for participating in a UIL sport or for allowing their names to be used in promoting a product, plan or service related to a UIL contest. Academics has no amateur rule. Journalism participants may work for a newspaper and be paid. Actors may work summer stock and be paid. Students may win calculators and software for participating in invitational math contests.

UIL academic students are restricted by the Awards Rule. So, as a general practice, booster clubs should not give gifts or awards to students for their participation in UIL contests that count toward district, region or state standing. School booster clubs may raise money to purchase letter jackets, provided the funds are given to the school without designation to buy jackets for particular students and the school determines criteria for awarding the jackets. Parents may purchase jackets for their own children provided the school designates the student as being qualified to receive the jacket.

Booster Clubs may raise money to provide an annual banquet for academic participants and coaches.

With prior administrative approval, you may also:

*Purchase equipment for programs such as computers or software for yearbook or computer science;

*Organize and chaperone trips and assist with expenses for travel to academic competitions or educational trips such as journalism conventions or speech tournaments. Booster club funds may be used to provide food and refreshments for students on these trips. A purely recreational trip to Six Flags
Over Texas would not meet the definition of an educational field trip and could be considered a violation of the Awards Rule;

*Run tournaments, organize fund-raising efforts, recruit corporate donors, raise money for scholarships and arrange for tutors and professional trainers to work with students;

*Fund academic workshop scholarships provided selection of the recipients is not based solely on their success in interscholastic competition. Selection could be based on grade point average or the student’s selection of high school courses. All students meeting the conditions for scholarship assistance should be notified and eligible for financial assistance. Funds should be monitored to ensure that they are expended for camp or workshop purposes.

We wish we had more academic booster clubs, whether they cover UIL academic competition in general or specific programs such as theatre, speech/debate, journalism or math/science. A great need exists for parental involvement and support.

| MUSIC BOOSTERS |

In addition to the general procedures outlined, the following guidelines apply to Music Booster Club activities.

*Some music booster clubs assist with expenses for travel to various music-related activities such as UIL contests and performances at away athletic events. Such financial support violates no UIL rules provided that it is approved and coordinated by the local school district.

*Many music groups schedule educational field trips with the approval of the local school administration and under local school district policies. For such trips, specific educational components must be included such as performing for a music festival, an adjudicated contest or a concert tour. Marching performances such as the Macy’s Thanksgiving Day Parade, the Rose Bowl Parade or other similar ceremonial appearances also qualify. However, educational components need not be limited to performances. Concert attendance, visiting university/conservatory music facilities and other music related, non-performing opportunities would also be appropriate if approved by the local school district.

*A recreational trip, on the other hand, would not meet the definition of an educational field trip as provided in Section 480 of the UIL Constitution and Contest Rules. Students receiving the benefits of a purely recreational trip would likely be in violation of the Awards Rule.

*Booster Clubs may also fund scholarships for private lessons and summer music camps provided the selection of the recipients is not based on success in interscholastic competition. Funds for such activities should be carefully monitored to ensure that they are expended for educational rather than recreational activities.

*The awarding of patches, T-shirts or other items for achievement in interscholastic competition would be subject to the UIL Awards Rule. In order to protect all music students’ eligibility, such awards should be approved and administered by the local school district in accordance with school district policies.

*Be mindful of the fact that there is no Music Amateur Rule. Therefore, limitations established in athletics intended to ensure compliance with the Athletic Amateur Rule do not apply to music programs and related activities.

What You Can Do:

Parents
*Remember: The classroom comes first!
*Help conduct fair and equitable competition: adhere to rules, uphold the law and respect authority.
*Remember that officials are human. Respect their decisions.
*Delegate authority to the school, then support its decisions.
*Set standards by which you expect children to conduct themselves, and live by those standards yourself.
*Be aware of capabilities and limitations of young people. Don’t have unrealistic expectations.
*Allow your children to live their own lives.
*Be involved in areas in which your own child is not involved, thus contributing to school unity and spirit.
*Show respect to the opponents of your children.
*Praise. Don’t criticize. Urge others to do the same.
*Help your children and their friends develop integrity through the intensity of competitive activity.

Work with the administration
*Positive and direct communication can prevent most problems. Keep the superintendent informed of all activities.
*Make sure your local administration has a copy of all club publications.
*Invite administrators to all booster club meetings.
*Have an officer meet with the school administration regularly.
*Have a chain of command for communication with the administration.
*Clear all activities through your administration.

Coaches and Fine Arts directors
*Be sure your booster club wish list has been approved by your supervisor before it goes to the booster club.
*Work with your administration to determine what your club can provide.
*Make your request to the club benefit as many students as possible.
*Attend the booster club meetings and/or know what the club is doing.
*Understand that your advisory role to the boosters is without vote.
*Support other programs within your district.
*Meet with parents regularly and make them aware of relevant rules.
*Involve your staff with your booster club. Let the booster club know who your staff is and what duties they perform.

Program Recruiting Guidelines

Elementary School to Middle School:

Informing students about participation in a secondary PVA program is vitally important. There are many ways in which students are influenced to make an elective choice for 6th grade. Besides the value of the arts in the lives of students, staffing of teachers is determined on the number of students who select a particular PVA course as their elective. Increasingly, it has become necessary to implement consistent parameters for educating elementary students concerning their elective choices, while keeping disruptions during the instructional day to a minimum.

Guidelines for PVA recruiting:

1. Arrangements will be coordinated between all middle school PVA instructors wishing to give students performances/presentations and the elementary school campus principal or designee. All PVA courses should be granted the opportunity to offer an appropriate student performance/presentation in order to educate prospective fifth grade students of their elective choices. As such student presentations may involve middle school students missing some of their instructional day, great care should be taken to limit the amount of time students will miss classroom instruction.

2. Each school’s PVA Department may provide an informational packet so that students and their parents may make an informed decision regarding their elective options. Each elective program will contribute an equal number of pages to the packet, if they so choose, detailing the unique qualities of their respective class.

3. When students visit the middle school campus for a parent night, camp, or other event, teachers may set up a display and/or may provide informational handouts or recordings. However, incentives such as candy or toys should not be passed out to prospective students since such items are not educational or informative. An “instrument petting zoo” or display also may be allowed.

4. PVA teachers may visit the elementary school music classes to demonstrate instruments, provided these visits are instructional in nature and are coordinated with the elementary music specialist and the elementary principal.

5. PVA instructors should attempt to present recruiting performances/student presentations at each elementary school that feeds their respective middle school. For elementary schools that feed more than one middle school, PVA instructors from the middle school having the majority of the incoming 5th grade class will provide both recruiting presentations and the appropriate campus-specific informational materials for each student. Informational materials specific to each middle school’s PVA programs should be distributed by the visiting PVA instructors to every 5th grade student based on the middle school that each student will be attending.

6. PVA DVDs
   a. Each middle school may distribute a PVA DVD to fifth grade students who will be attending their particular school during the next school year. The purpose of the DVD is to inform the students and their parents about the middle school PVA programs they have the opportunity to join.
   b. Each organization (art, band, and choir speech/theatre) that wishes to be included in the DVD will prepare a video presentation about their program that is no longer than 10 minutes in length. The video should be educational and informative in nature. Social events may be included; however, they should not be a major focus of the presentation.
   c. Each organization will complete their video presentation by December 1st, so a master DVD can be produced and copied for distribution by the beginning of the second semester. The DVD will be distributed to each fifth grade student who will be attending that particular middle school at a time that coincides with the students’ course selection process.
   d. The cost to master and distribute the DVD will be divided equally among all organizations included on the DVD.

Middle School to High School:

Last Revised: July 2017
1. All high school PVA programs will be granted the opportunity to offer appropriate recruiting activities for 8th grade students in order to educate prospective students and their parents about high school PVA course offerings.

2. It is expected that high school and middle school PVA instructors will work together to coordinate activities, which provide 8th grade students the opportunity to participate with high school groups. Middle school instructors shall encourage all 8th grade students and parents to participate in such recruiting activities.

3. Each PVA organization may provide written information and program requirements to prospective 8th grade students and their parents. Middle school instructors should make every effort to distribute information to parents and students in a timely manner.

4. High School PVA instructors may coordinate class visits with middle school instructors in order to assist with instruction as needed and/or provide information about high school PVA programs.

5. Eighth grade students may not be recruited by a PVA organization at any high school that the student is not zoned to attend. If a student has been accepted to an academy, then PVA instructors from that campus may approach the student individually to provide information about participation in their PVA organization.
Budgeting and Finances Policy Overview

1. Funding Sources
   a. PVA Department
      i. Each campus PVA program receives a set amount of funding from the PVA department.
      ii. Each campus must make a preliminary decision on the distribution of these funds between their PVA 6100 Budget (Private Lessons/District Employees) & 6200 Budget (supplies, clinicians, royalties, contract services, etc.) by the annual date listed on the calendar.
   b. Campus Activity Accounts
      i. All student course and uniform fees run through your campus activity account.
      ii. All activities funded by parents and/or students must run through your campus activity account.
      iii. All campus activity account funds must be tracked in charms.
   c. Booster Clubs
      i. Booster clubs are a wonderful way to supplement the resources of your program.
      ii. Please refer to the booster club section of the handbook for information on financial policies for booster clubs.
      iii. Booster clubs may write checks to the district as donations; however, Spring ISD is prohibited from writing checks to your campus booster club.

2. PVA Staff Member Responsibilities
   a. Keep detailed records of all deposits.
   b. Keep all money secured. You may be held personally and financially responsible for lost or stolen deposits that are not secured or processed according to district policy.
   c. Keep detailed records of every dime that you deposit into your accounts in both paper form (envelopes) and electronically (charms).
   d. All student finances must be tracked in charms. The district internal auditor can and will audit programs. You may risk your employment with the district if you are not tracking student finances accurately in charms and the audit does not pass muster.

3. Suggestions for Record Keeping
   a. Create a student file for every student at the beginning of the year. Use this file system for student work samples, maintaining required records, and for storing envelopes students use to turn in money.
   b. When you count money turned in by students, write the date, amount, payment form, and purpose on the front of each envelope. File these envelopes in each student’s file folder.
   c. Do not leave your campus bookkeeper’s office without documentation verifying your deposit amount and date.

4. Zero-Based Budgeting
a. Spring ISD uses the zero-based budgeting for every cent of funding provided by the federal government, state government, and tax payers.

b. Each PVA program must create and submit a zero-based budget for the following school year by November 30th. An excel template is provided to assist you in this process. You will also receive training on this budgeting process.

5. Contracts and Judge/Accompanist Forms
   a. Each collaborative artist (clinician, accompanist, etc.) who is not a district employee will not be paid without the proper documentation.
   
   b. Judges (adjudicators), accompanists, and instrumentalists not employed by the district may be paid by submitting two documents: Judge’s Payment Form and W-9 Form.

   c. Change from 17-18: Any other individuals working with students and paid with district funds MUST complete a contract. This includes clinicians that work with your students and paid by the PVA office. The contract process is extensive and requires at least 30 business days to complete. Plan early!

   Every financial decision you make for your program becomes public record and itemized reports are posted for the public every month by the district finance office. Each time you make a decision to spend money, you should be prepared to defend the purchase to anyone who may question your decision, including the school board and superintendent.
1. Instructors must receive prior approval for any school-related activities that require them to miss work days. Such activities include attending university classes, professional conferences, and adjudicating competitions.

2. CONFERENCES: PVA teachers are encouraged to attend conferences; however, student performance should not be inhibited by conference attendance. For this reason, staff members will be allowed to attend conferences at the discretion of the campus principal and PVA administration. Conferences may include:
   a. Texas Art Educators Association Conference
   b. Texas Dance Educators Association Convention
   c. Texas Educational Theatre Association Conference
   d. Texas Music Educators Association Convention
   e. Texas Speech Communication Association Convention

3. REIMBURSEMENT FOR EMPLOYEE TRAVEL
   a. A district employee may be reimbursed for some of the reasonable, allowable expenses and only with the prior approval of the employee’s campus principal and PVA administration. Please contact the PVA office for specific information on possible funding sources.
   b. For any authorized expenses incurred, the employee shall submit a statement with itemized receipts documenting actual expenses.
   c. To request funding for travel, an original Employee Travel Authorization Form, signed by the employee’s campus principal, must be submitted to the PVA office at least 30 business days prior to the conference deadlines.
   d. Detailed information regarding the request must be provided in support of the travel request.
   e. Original itemized receipts are required for all travel reimbursements.

4. ABSENCE REPORTING: It is the employee’s responsibility to notify their campus principal at least 10 business days prior to the professional absence and arrange for a substitute if needed. PVA is not able to pay the cost of the substitute teacher.

5. ADJUDICATION: Adjudication of competitions during the school day is permissible under the following provisions (specifically, Spring ISD staff adjudicating in other school districts or contests):
   A. An employee may take leave no more than six (6) work days per year to adjudicate competitions.
   B. A director may not accept more than one three-day judging assignment in the Spring semester prior to his or her own UIL contest.
   C. Professional leave days may be used providing the employee accepts only reimbursement for expenses but not an honorarium.
   D. Personal leave may be used and the employee may accept both an honorarium and reimbursement for expenses.

Field Trip Process

In following our Spring Independent School District's initiatives as outlined in Every Child 2020 with a focus on the establishment of improved processes and structures across the district, the Office of School Leadership was given the task of creating a district-wide Field Trip Process that is aligned to the School Board Policies EFD (Local), CNB (Regulation), EFD (Regulation), FM (Regulation), FMG (Regulation) and FP (Legal).

The following process is to be utilized for all student involved field experiences, including UIL competitions, contests, program trips (including performing arts, debate, and CTE) with the exception of UIL athletic travel that is arranged under the auspices of the Athletic Department.

Field Trip Sponsor submits Field Trip form from District Drive

Field Trip Sponsor completes Forms B & C and submits for approval.

If Title I Funding is to be utilized, the Application for Approval of Title I Field Trip must be submitted.

Principal/Supervisor will review forms, and if meets with his/her approval, sends the packet to the next level for approval.

If District Funding is being utilized, the packet will then go to the Director of the funding source for his/her approval and signature.

The packet is then submitted to the appropriate Assistant Superintendent for approval.

The Assistant Superintendent then sends the packet to the School Leadership Officer.

If the trip is out-of-state or requires an overnight stay, it is then sent to the Chief Academic Officer and the Superintendent, or his designate for approval.

After approval has been obtained, Field Trip Sponsor attaches permission forms to packet and makes a copy for the principal prior to departing.
Field Trip Process – Step by Step

1. **The Field Trip Sponsor will** access the Field Trip Forms from the district J-drive making note of timeline submissions for approval. (*15 days prior to trip for in-state travel, *30 days prior to trip for out-of-state travel, and *45 days prior to trip for out-of-country travel.)

2. **The Field Trip Sponsor will** determine the purpose, cost and funding for the trip and complete Forms B and C prior to submitting them to the school principal for initial approval. After initial approval is received the completed packet (with the exception of the parent permission forms) will be provided to the Principal to submit to the district for approval.

3. **The Principal will** review the forms and funding sources and will follow one of the following options:

   A. Approve the trip request if he/she determines that school funding is available for the trip and the trip is aligned to the school’s Campus Improvement Plan, and the funding being requested is not coming from Title funding.

   B. Request the Trip Sponsor to complete the Title I Field Trip Request Form if he/she determines that the funds being requested are from Title funding and the trip is aligned to the Campus Improvement Plan. The Principal can then sign to approve the trip, and submit the complete Field Trip Packet along with the Title I Field Trip Request Forms to the Director of Federal & State Programs for approval.

   C. Approve the trip request and submit the full packet to the appropriate director (if district funding is being utilized and/or the Director of Performing Arts if applicable) who will then send it to the Assistant Superintendent.

   **If the trip is related to a program that falls under the department of Performing and Visual Arts, even if funds are not being requested from the department, the forms must be sent to the Director of PVA for approval.**

   D. Decide not to approve the trip request, and return the request to the Trip Sponsor to let him/her know the trip is denied.

4. If the trip request receives initial approval from the Principal and the Program Director (if required), the completed packet with applicable forms is then submitted to the appropriate Assistant Superintendent for his/her approval.

5. **The Assistant Superintendent will** review the Field Trip Packet, and:

Texas Hotel Occupancy Tax Exemption Certificate

Provide completed certificate to hotel to claim exemption from hotel tax. Hotel operators should request a photo ID, business card or other document to verify a guest’s affiliation with the exempt entity. For non-employees to be exempt, the exempt entity must provide a completed certificate and pay the hotel with its funds (e.g., exempt entity check, credit card or direct billing). This certificate does not need a number to be valid.

**Guest certification:** I declare that I am an occupant of this hotel on official business sanctioned by the exempt organization named above and that all information shown on this document is true and correct. I further understand that it is a criminal offense to issue an exemption certificate to a hotel that I know will be used in a manner that does not qualify for the exemptions found in the hotel occupancy tax and other laws. I. Funding

1. Transportation for all activities must be funded through your program’s PVA transportation allotment.
2. Additional bus requests that exceed your program’s transportation allotment must be funded by the campus, campus activity account, or booster club.
3. Special transportation requests may be submitted to the PVA office and may be approved depending on the availability of funds.

II. Access to Trip Direct/School Dude

4. If you are new to the district or need a bus request account, please email Rosalind Goudeau, transportation department field trip coordinator, at rgoudeau@springisd.org.

III. Entering Bus Requests

1. Please see the instructions on the next page.
Field Trips

Transportation in support of field trips and athletic trips may be requested through the Transportation Department. Once services are provided, the cost is charged back to the campus at the rate of $4.98 per mile. (This rate is subject to change annually as a result of the annual Texas Education Agency Transportation Operations Report.) Trip mileage is calculated from the Transportation Department as the departure point back to the Transportation Department upon completion of the trip.

Requests

Requests are entered online through SchoolDude’s Trip Direct module at www.myschoolbuilding.com. Requests must be entered at least ten (10) business days prior to the date of the trip. The Trip Direct system requires that all administrative approvals are completed and an appropriate budget code is entered before the trip can be scheduled.

Field Trip Availability

Home-to-school route services take priority over all other transportation needs. As such, field trip requests should be scheduled in accordance with the following times:

Trips During the School Day  Depart at 9:00 am  Return by 2:00 pm
Trips After School  Depart no earlier than 4:45 pm

Consideration will be given to accommodate trip requests for UIL competitions and CTE programs.

A coach or teacher who is licensed and certified to drive a school bus may be used to drive a trip that conflicts with the time schedule restrictions above. For special considerations/requests, contact Rosalind Goudeau in the Transportation Department.

Confirmations

All field trips must be confirmed by telephone or email with Rosalind Goudeau, Field Trip Coordinator, at least 48 hours in advance of the trip.

Changes and Cancellations

Field trip changes and cancellations must be made in writing via email with Rosalind Goudeau, Field Trip Coordinator at least 24 hours in advance of the trip. Trips that are not cancelled before the bus arrives on site at the campus will incur a charge of $30.00 (for weekday trips) and $45.00 (for Saturday trips).

Bus Trip Costs:

1. All extracurricular trips are currently charged at a rate of $4.98 per mile. This rate is reviewed and subject to change annually.
2. All mileage is calculated from Transportation to destination and back to Transportation.
3. Field Trip buses are now equipped with EZ Tags. **If an EZ tag is used, these charges will be added to your field trip billing.**

Sponsored Trips:

1. **At least one sponsor/coach/teacher must be on each bus.** Sponsors are to assist the driver with managing the students and are required to maintain a safe, orderly atmosphere on the bus, and supervise clean-up; post trip. When possible, sponsors should be seated in the front and rear of the bus. **A seating chart should be prepared in advance and given to the driver at the time of boarding.**
2. The sponsor is in charge of the field trip. The driver is in charge of the bus. Drivers should not be asked to watch over or be responsible for items left on the bus or to sit with students. Students should remain with the group and no items should be left on the bus that may be needed during the event with the exception of lunches.
3. Students should exit and enter through the front passenger door only. The rear door exit is for emergency purposes only.
4. The driver and sponsor should agree on a departure time and location. Departure time should enable the bus/driver to be back in district by **2:00 p.m. for routes.** Sponsors should not ask drivers to stay later or go anywhere not pre-approved or designated on the trip requisition.
5. All lunch destinations should be listed on the trip requisition form.
6. Lunches, lunch boxes, uniforms, athletic equipment, etc., should never block the back door, aisle or windows of the bus. If possible, when parents escort the trip in personal vehicles, lunch items should be transported with them.
7. If the driver plans to leave for any reason, he will notify the sponsor where he/she is going and when they will return. The driver and sponsor should exchange cell phone numbers in case of emergency.
8. Sponsors, coaches, teachers, or students may not be picked up at or taken to their home. Trips start and end at the campuses.
9. **School age children** of sponsors are allowed to ride on the bus with the permission of a School Administrator, on a space available basis. They must follow all safety rules and are the sole responsibility of the parent.
10. **Drivers are responsible for destination directions and information.** Sponsors, coaches and teachers should discuss any particular concerns with transportation at least 48 hours in advance of the trip.
11. Buses should be returned clean - swept, trash emptied, with windows raised.
12. If the bus has unpreventable cleaning issues such as a muddy floor due to a wet and rainy track meet, etc., and cannot be cleaned upon return, the coach/driver/sponsor should report this to the shop foreman immediately upon return. A **$25.00 cleaning fee** will be added to the trip charges for failure to comply.
Coach Driven Trips:

All rules listed above apply with the exception/addition of the items listed below.

1. At no time should students disembarking the bus be allowed to exit or jump out of, the back emergency exit doors. If equipment must be loaded or unloaded through the emergency back door exit, one student should remain inside and one should exit through the passenger door and assist from the outside.

2. Any non-emergency mechanical issues noted during the trip should be reported immediately upon return to the transportation center.

3. Any mechanical issue needing immediate attention should be reported to the persons/numbers listed on the trip requisition.

4. Trip buses are also used on routes and should be returned clean - trash emptied, floors swept, windows raised, and in a manner ready for use the next morning/route. **A cleaning fee of $25.00 may be deducted from the trip pay for failure to comply.** If the bus assigned to you is not clean upon arrival, please report this to the transportation department.

5. **Pre-trip and post-trip inspections are required. This form is included in your field trip packet and should be completed & returned with the field trip ticket.**

6. **State Law requires you have a seating chart and present evacuation procedures to your group before proceeding on your field trip. A seating chart and Evacuation Script is included in your packet.**

7. **Mileage must be recorded on the field trip ticket. Mileage should begin and end at Transportation.**

8. **Failure to complete paperwork may result in delayed pay.**

9. Any accident or incident should be reported to proper authorities, including Transportation, immediately upon occurring.

Final Reminders:

Please ensure that all sponsors understand and abide by the following reminders:

- The driver is responsible for the safety and well being of the students being transported and all instructions should be adhered to.
- The driver is a fellow professional and should be treated with respect and dignity at all times.
- Students should observe and obey all safety rules posted.
- Students should enter, ride and exit in a safe, orderly manner. The bus driver may refuse to transport any students until all students are safely seated, noise is at an appropriate level for the driver to drive safely and order has been maintained.
- Do not allow **eating or drinking** on the bus unless pre-approved through the Transportation department. Please plan for proper clean up during and after the trip.
- Do not allow students to change clothing during the trip, be up and moving about, or to spray substances such as hair spray or cologne during the trip. All students and sponsors should be properly seated during the trip.

Purchasing Procedures

The PVA office will fund some district wide events such as UIL OAP Contest. Events that involve only your school should be funded by your campus PVA budget or activity account. For purchases made with your PVA budget, please be advised that strict purchasing procedures will be followed. You will be required to follow the procedures listed below. Failure to follow these procedures will place you in violation of School Board Policy.

1. Submit requests to the PVA for approval at least **20 business days** prior to ordering need. The requests should be submitted on the electronic purchase order request form.
2. An official quote from a preferred vendor is needed for every purchase order request.
   a. An order form may not replace a quote.
   b. “Shopping cart” quotes are not accepted by the procurement office.
   c. Each quote must include the total cost including a shipping estimate (if needed).
3. You will be notified in writing upon approval/denial of your request from the PVA department.
4. Upon approval of your request, the PVA office will enter a purchase order into the system. This is not a green light to receive merchandise/services. You must wait to receive formal confirmation of your purchase order number.
5. Final approval of a purchase order is given only by the Purchasing Department. This process should be allowed a minimum of 5 business days after the PVA office creates the PO request.
6. Once you receive your approved purchase order, you are responsible for placing the order.
7. All merchandise is shipped directly to your campus. Once you receive the merchandise, you must send all final paperwork including an invoice to the PVA office. Finance will not release payment until all final documents are received and processed. **Invoices or receipts received without purchase orders will not be paid by the district.**
8. **Blanket POs are no longer exist for PVA programs.** ALL purchases (including all music vendors and theatre rights providers) require the creation of a purchase order prior to placing an order.

Purchasing requirements are district policy and will be adhered to strictly. These procedures insure district payment.

Memorandum

To: New Spring ISD Vendors
From: Paul Young, Director – Purchasing/Contracts
Re: New Vendor Packet

All new vendors seeking to do business with Spring Independent School District (Spring ISD) must complete and submit a New Vendor Packet prior to engaging with the District. The New Vendor Packet consists of the following documents:

1. **Vendor Information Form** *(required of all vendors)*;

2. **Conflict of Interest Questionnaire – Form CIQ** *(required only if a conflict of interest exists that must be disclosed, as stipulated by Chapter 176, Local Government Code)*;

3. **Felony Conviction Statement Notice** *(required of all vendors, as stipulated by Texas Senate Bill No. 1, Section 44.034)*

4. **Senate Bill 9 Contractor/Subcontractor Certification Form(s)** *(required of vendors and their subcontractors involved in providing a service to Spring ISD within District grounds)*;

5. **Form W-9** *(required of all vendors)*.

The completed vendor packet must be submitted to the attention of Erica Banda (Buyer Assistant) via fax at (281) 891-6466 or email at ebanda@springisd.org. If a Spring ISD representative requested that you submit this vendor packet, please include the name of the individual on your fax or email. Upon receipt of all required documents, you and/or your entity will be set up in the vendor database within Spring ISD’s financial system. Please be aware that being set up as a vendor in this database does not necessarily signify that you or your entity is either an “authorized” or “contracted vendor”.

**Spring ISD e-Bid System Registration:**

Spring ISD uses a Web-based bidding system (e-Bid System) that includes an electronic process for vendor registration and bidding. Existing and potential vendors/suppliers interested in competing in the formal bidding process for competitively awarded contracts must register in the Spring ISD eBid System at https://springisd.ionwave.net/Login.aspx, to be included in the Bidders List and to receive automated notifications of new bid opportunities based the categories of commodities they have selected.

To view a list of the contracted goods and/or services normally awarded by Spring ISD through a formal bidding process, please visit the following website: https://web.springisd.org/purchasing/.

Paul Young

The notice must include a general description of the conduct resulting in the conviction of a felony".

Subsection (b) states "a school district may terminate the agreement with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a), or misrepresented the conduct resulting in the conviction. SB 9 Contractor Certification: Contractor Employees

Background: Texas Education Code Chapter 22 requires entities that contract with school districts to obtain criminal history records on covered employees. Covered employees with disqualifying criminal histories are prohibited from serving at a school district. Contractors must certify to Spring ISD that they have complied and must obtain similar certifications from their subcontractors. See SB 9 Contractor Certification: Subcontractor attachment. The law requires each contractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety’s Crime Records Service at 512.424.2474.

Definitions:
Covered employees: Employees of a contractor who have or will have continuing duties related to the service to be performed at a school district and have or will have direct contact with students. Spring ISD will be the final arbiter of what constitutes continuing duties and direct contact with students.

Disqualifying criminal history: (1) a conviction or other criminal history information designated by Spring ISD; (2) a felony or misdemeanor offense that would prevent a person from being employed under Texas Education Code § 22.085(a), that is: if at the time of the offense, the victim was under 18 or was enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense on conviction for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an offense under federal law or the laws of another state that is equivalent to (a) or (b).

On behalf of ___________________________ ("Contractor"), I, the undersigned authorized signatory for Contractor, certify to Spring Independent School District ("Spring ISD") that [check one]:

[ ] None of Contractor’s employees are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that its employees will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

Or

[ ] Some or all of Contractor’s employees are covered employees. If this box is checked, I further certify that:

1. Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

2. If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify Spring ISD in writing within 3 business days.

3. Upon request, Contractor will provide Spring ISD with the name and any other requested information of covered employees so that Spring ISD may obtain criminal history record information on the covered employees.

If Spring ISD objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at Spring ISD.

I also certify to Spring ISD on behalf of Contractor that Contractor has obtained certifications from its subcontractors of compliance with Texas Education Code, Chapter 22. Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

SB 9 Contractor Certification: Subcontractor

Background: Texas Education Code Chapter 22 requires entities that contract with school district contractors to obtain criminal history records regarding covered employees. Covered employees with disqualifying criminal histories are prohibited from serving at a school district. Subcontractors must certify to Spring ISD and to the contractor that they have complied. The law requires each subcontractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety’s Crime Records Service at 512.424.2474.

Definitions:
Covered employees: Employees of a subcontractor who have or will have continuing duties related to the service to be performed at a school district and have or will have direct contact with students. Spring ISD will be the final arbiter of what constitutes continuing duties and direct contact with students.

Disqualifying criminal history: (1) a conviction or other criminal history information designated by Spring ISD; (2) a felony or misdemeanor offense that would prevent a person from being employed under Texas Education Code § 22.085(a), that is: if at the time of the offense, the victim was under 18 or was enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense on conviction for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an offense under federal law or the laws of another state that is equivalent to (a) or (b).

Subcontractor has entered into a contract with __________________________ (“Contractor”), to provide services in connection with the contract between Spring Independent School District (“Spring ISD”) and Contractor. I, the authorized signatory for Subcontractor, certify to Spring ISD and Contractor that [check one]:

[ ] None of Subcontractor’s employees are covered employees, as defined above. If this box is checked, I further certify that Subcontractor has taken precautions or imposed conditions to ensure that its employees will not become covered employees. Subcontractor will maintain these precautions or conditions throughout the time the contracted services are provided.

Or

[ ] Some or all of Subcontractor’s employees are covered employees. If this box is checked, I further certify that:

(1) Subcontractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Subcontractor receives information that a covered employee subsequently has a reported criminal history, Subcontractor will immediately remove the covered employee from contract duties and notify Spring ISD in writing within 3 business days.

(3) Upon request, Subcontractor will provide Spring ISD with the name and any other requested information of covered employees so that Spring ISD may obtain criminal history record information on the covered employees.

If Spring ISD objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Subcontractor agrees to discontinue using that covered employee to provide services at Spring ISD.

I also certify to Spring ISD and Contractor on behalf of Subcontractor that Subcontractor has obtained certifications from its subcontractors of compliance with Texas Education Code, Chapter 22.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Purpose of Form**

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1098-S (proceeds from real estate transactions)
- Form 1098-K (merchant card and third party network transactions)

- Form 1099 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1098-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners’ share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See What is FATCA reporting? on page 2 for further information.
Note. If you are a U.S. person and a requester give you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and the beneficial owners of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (and paragraph number in the case of an article containing a saving clause) in the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years.

However, in paragraph 2 of the Protocols to the U.S.-China treaty (dated April 30, 1984) the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payments for third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester.
2. You do not certify your TIN when required (see the Part II Instructions on page 3 for details).
3. The IRS tells the requester that you furnished an incorrect TIN.
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only).
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See Exempt payee codes on page 8 and the separate instructions for the Requester of Form W-9 for more information.

Also see Special rules for partnerships above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See Exemption from FATCA reporting code on page 3 and the instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information. If you make a false statement with respect to withholding, if you fail to make a statement with reasonable basis that results in no backup withholding, you may be subject to a $500 penalty.

Criminal penalty for falsifying information. If you willfully falsify any certification or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Mistakes of TIN. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; do not leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. Individual. Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

b. Corporate. Enter the full legal name of the corporation.

c. Partnership. Enter the name as shown on the entity’s tax return on line 1 and any business, trade, or DBA name on line 2.

d. Other entities. Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(b)(1)(ii). Enter the owner’s name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity’s name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9.

This is the case even if the foreign person has a U.S. TIN.
Line 2
If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3
Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is taxed as a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions
If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exempt payee code.

However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys fees, gross proceeds paid to an attorney reportable under section 6049A, and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requestor may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

B—The United States or any of its agencies or instrumentalities

C—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities

D—A corporation the stock of which is regularly traded on one or more established securities markets, as described in Regulations section 1.1472-1(c)(3)(i)

E—A corporation that is a member of the same expanded affiliated group as a corporation described in Regulations section 1.1472-1(c)(3)(ii)

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state

G—A real estate investment trust

H—A regulated investment company as defined in section 851 or an entity registered at all times during the tax year under the Investment Company Act of 1940

I—A common trust fund as defined in section 584(a)

J—A bank as defined in section 581

K—A broker

L—A trust exempt from tax under section 664 or described in section 4947(a)(1)

M—A tax exempt trust under a section 403(b) plan or section 457(g) plan

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5
Enter your address (number, street, and apartment or suite number). This is where the requestor of this Form W-9 will mail your information return.

Line 6
Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, then your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the space provided. If you are a nonresident alien, enter your IRS individual taxpayer identification number (ITIN). If you have an ITIN, see How to get a TIN below.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see Limited Liability Company (LLC) on this page), enter the owner's SSN or EIN if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1112. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Form SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are assigned to complete Form W-9 but do not have a TIN, apply for a TIN and use the "Applied For" in the space for the TIN, sign and date the form, and give it to the requestor. For interest and dividend payments, and certain payments made with respect to readily transferable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Cautions: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.
Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see Exempt payee code earlier.

Signature requirements. Complete the certification as indicated in Items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out Item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out Item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requestor's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party payment transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage Interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition programs, and non-cash gifts of property. You must give your correct TIN, but you do not have to sign the certification.

SERVICES CONTRACT
BETWEEN

AND

THIS SERVICES CONTRACT ("Contract") is made and entered into by and between the SPRING INDEPENDENT SCHOOL DISTRICT ("SISD"), with principal address at 16717 Ella Boulevard, Houston, Texas 77090, and

("Provider"), with principal address at

[Blank Line]

WHEREAS, SISD desires to hire Provider to perform services as outlined in the scope section in this Contract;

WHEREAS, SISD has determined that such services are in support of its educational objectives;

NOW THEREFORE, in consideration of the mutual promises herein contained, and other good and valuable consideration, the parties hereto agree as follows:

I. SERVICES TO BE PROVIDED BY PROVIDER:

Provider agrees to provide to SISD (collectively defined as "Services"):

NOTE: List in bullet form, or as an attachment and noted as "Exhibit A", the specific services to be provided by Provider, including hours and days of work, number and name of staff to be committed, specific jobs to be performed, and objectives to be accomplished.

Where there is any conflict between the terms of this Contract and the terms of any attachments, the terms of this Contract will prevail.
II. SERVICES TO BE PROVIDED BY SISD:

SISD agrees to provide to Provider:

NOTE: List in bullet form, or as an attachment and noted as "Exhibit B", the services and facilities to be provided by SISD.

III. TERM OF CONTRACT

The term of this Contract shall be from ____________________ ("Commencement Date") through ____________________ ("Expiration Date"). The time period between the Commencement Date and the Expiration Date shall be referred to herein as "Term". The contract Term, or any dates of service referenced in this Contract, may be modified if agreed upon in writing by both parties. Notwithstanding the foregoing, this Contract may be terminated prior to the Expiration Date as provided in the Termination Section of this Contract, in which case the term "Term" shall mean the time period between the Commencement Date and the effective date of termination.

IV. TERMINATION

This Contract may be terminated prior to the expiration of the term hereof as follows:

- By SISD upon three (3) days notice if the Services are not provided in a satisfactory and proper manner as determined by SISD.
- By mutual written agreement of the parties;
- By SISD without cause or penalty, upon thirty (30) days prior written notice to the Provider; or
- By SISD immediately if Provider commits a material breach of any of the terms of this Contract.

In the event this contract is terminated because of a violation or breach of the contract terms by the Provider, SISD shall be entitled to all administrative, contractual and legal remedies, including sanctions and penalties as may be appropriate.

Notwithstanding the foregoing, the obligations of SISD to make payments under this Contract constitute a commitment of revenues for the current fiscal year only and do not create an impermissible debt. In the event that the SISD's Board of Trustees fails to obtain and appropriate funds for any fiscal year during the Term, despite its best efforts, then an event of non-appropriation ("Non-Appropriation") shall be deemed to have occurred. If a Non-Appropriation occurs, then: (i) SISD will provide immediate notice of such Non-Appropriation and provide written notice of such failure by its governing body at least 45 days prior to the end of the then current fiscal year or if Non-Appropriation has not occurred by such date, immediately upon Non-Appropriation; and (ii) this Agreement shall terminate on the last day of the fiscal year for which funds were appropriated without penalty or expense to SISD and SISD shall not be obligated to pay any amounts beyond such fiscal year.
V. COMPENSATION

For and in consideration of the Services to be provided by Provider under this Contract and as a dependent covenant conditioned upon the Provider's satisfactory performance, SISD will pay Provider upon submission of an original invoice(s) in a total amount not to exceed $____________ USD.

The parties agree to the following payment details (as applicable):

NOTE: List any applicable payment details, including but not limited to, fees, rates, per diem charges, etc. Any allowable mileage reimbursements shall not exceed the IRS standard mileage rate currently in effect or, if a federally funded Contract, the maximum allowed by federal law. Other allowable travel expenses may not exceed the Provider's actual expenses (receipts required) or that which is allowed by applicable federal, state, or local laws and regulations.

The compensation to be paid should be charged against the following budgets:

In the event the contract is terminated prior to the end of the Term, payments will only be made to the extent that Services have been performed prior to termination. Provider will not be entitled to payment for anticipated profits, unabsorbed overhead, interest on borrowing, or any other type of indirect or consequential damages or amount. Provider is only entitled to compensation for Services actually and satisfactorily rendered up to the effective date of termination.

VI. RELATIONSHIP OF THE PARTIES

It is understood and agreed that Provider is a separate legal entity from SISD and neither it nor any of its employees, volunteers, or agents contracted by it shall be deemed for any purposes to be employees or agents of SISD. SISD will not indemnify the other party under any circumstances, as prohibited by the Constitution and laws of the State of Texas.

Nothing in this Contract shall be construed to create a claim or cause of action against SISD for which it is not otherwise liable, nor to waive any immunity or defense to which the District may be entitled nor to create an impermissible deficiency debt of the District.

XVII. CRIMINAL HISTORY BACKGROUND CHECK

Pursuant to Sections 22.085 and 22.0834 of the Texas Education Code, Provider hereby certifies that all employees, subcontractors and volunteers of the Provider who are hired by Provider on or after January 1, 2008, and who have continuing duties related to the Services; and have or will have direct contact with students have passed a national criminal history background record information review as required by those sections.

CRIMINAL HISTORY REVIEW REQUIREMENTS & PROVIDER INSTRUCTIONS

All Providers must review the information on this page. This document informs Providers of the criminal history review requirements associated with rendering services to Spring ISD under a contract in which the Provider will have continuing duties and direct contact with students.

I. Criminal History Review Requirements:

Texas Education Code, Chapter 22, requires school districts to review the criminal histories of contractors and independent contractors who have, or will have, continuing duties related to a services agreement with the District and direct contact with students.

a. Spring ISD considers "direct contact" with students to result from any activity that may provide substantial opportunity for verbal or physical interaction with students and that is not supervised by a professional district employee (e.g. unsupervised coaching, tutoring, or other services). Spring ISD retains the sole right to determine if engagement with a contractor/independent contractor (including subcontractors) requires review of criminal histories, in accordance with Texas law.

b. Spring ISD considers "continuing duties" to result from any contract whose term of service spans beyond one (1) school day. Continuing duties may include, at the District’s sole discretion, contracts involving services to be rendered over multiple single-day engagements.

If at any time over the effective term of this Agreement Spring ISD determines that engaging with the Contractor requires a criminal background check, the Contractor will be provided with further instructions. If required, criminal background checks must be completed, reviewed, and approved by Spring ISD either prior to services being provided or prior to continuation of services, as determined by Spring ISD.

II. Instructions for Providers:

a. Providers not requiring fingerprinting: Providers whose services will not involve continuing duties and direct contact with students do not require fingerprinting. Such Providers need not review any of the fingerprinting documents provided beyond this page C8; however, all Providers must still comply with existing campus policies and procedures regarding visitors.

b. Providers requiring fingerprinting: Providers whose services will involve continuing duties and direct contact with students require fingerprinting and must review this section for further direction:

i. Providers who are entities that will be rendering services to the District through employees, independent agents, and/or subcontractors must review and follow the fingerprinting instructions provided in the following documents, as applicable:

1. (p. C9) – Provider Fingerprinting Certification
2. (p. C10) – Establishing an Account with TX DPS
3. (p. C11) – Contractor Acknowledgement of Criminal History Review Requirements
4. (p. C14) – Fingerprinting Letter to TX DPS office, authorizing fingerprinting prior to receipt of contract

ii. Providers who are individuals/self-employed and who will be rendering services to the District on their own (not through an employee, independent agent, or subcontractor) must review and follow the fingerprinting instructions provided in the following documents:

1. (p. C11) – Contractor Acknowledgement of Criminal History Review Requirements
2. (p. C12) – Fingerprinting Instructions for Individuals/Self-Employed Providers
3. (p. C13) – Spring ISD Texas Fingerprint Service Code Form
4. (p. C14) – Fingerprinting Letter to TX DPS office, authorizing fingerprinting prior to receipt of contract
PROVIDER FINGERPRINTING CERTIFICATION  
(To be completed by Provider – as applicable)

This form is to be completed only by a Provider who will provide services to the District through its employees, agents, and/or subcontractors (does not apply to individuals or single-person entities) AND whose services will involve continuing duties AND direct contact with students (as defined on page C8).

Introduction: Texas Education Code Chapter 22 requires service contractors and subcontractors ("Provider") to obtain criminal history record information regarding covered employees and to certify to the District that they have done so. Covered employees with disqualifying convictions are prohibited from serving at a school district. Criminal background check results are to be received through the DPS criminal history clearinghouse (Fingerprint-based Applicant Clearinghouse of Texas – FACT). See next page for details.

Definitions:

• **Covered employees:** All employees (including agents and subcontractors) of a Provider who have or will have continuing duties related to the service to be performed in District grounds and have or will have direct contact with students (The District will be the final arbiter of what constitutes direct contact with students).

• **Disqualifying conviction:** One of the following offenses: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an offense under the laws of another state or federal law that is equivalent to an offense under (a) or (b); and at the time the offense occurred, the victim of the offense was under 18 years of age or enrolled in a public school.

On behalf of __________________________ (“Provider’s Business Name”), I certify that [check one]:

☐ **None** of Provider’s employees are covered employees, as defined above.

Or

☐ **Some or all** of Provider’s employees are covered employees, as defined above. If this box is selected, I further certify that:

1. Provider has obtained all required criminal history record information, through the Texas Department of Public Safety, regarding its covered employees. None of the covered employees has a disqualifying conviction. Provider has taken reasonable steps to ensure that its employees who are not covered employees do not have continuing duties related to the contract services or direct contact with students.

2. If Provider receives information that a covered employee has a disqualifying conviction, Provider will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

3. Upon request, Provider will make available for the District’s inspection the criminal history record information of any covered employee. If the District objects to the assignment of a covered employee on the basis of the covered employee’s criminal history records information, Provider agrees to discontinue using that covered employee to provide services at the District.

Noncompliance by Provider with this certification may be grounds for contract termination.

ESTABLISHING AN ACCOUNT WITH TEXAS DPS

NOTE: The instructions on this document apply only to Providers that will render services to Spring ISD through its employees, agents, and/or subcontractors (does not apply to independent contractors / single-person entities) and whose contract with Spring ISD will require a national criminal history review due to involving continuing duties beyond one (1) school day AND direct contact with students.

This document provides instructions for Providers to establish an account with the Texas Department of Public Safety (Texas DPS or DPS) for processing a national criminal history review on those individuals that will be involved in providing services to the District under a contract requiring fingerprinting.

Texas Education Code Section 22.0834 directs school district contractors to obtain state and national criminal history background searches on their employees who will have continuing duties and direct contact with students, and to receive those results through the DPS criminal history clearinghouse (Fingerprint-based Applicant Clearinghouse of Texas – FACT).

In order for contractors to receive the information through FACT, they must first establish an account with the DPS for FACT clearinghouse access. The business owner must sign a user agreement with the DPS. To obtain the user agreement and more information, please contact:

Access and Dissemination Bureau  
Texas Department of Public Safety Crime Records Service  
P.O. Box 4143  
Austin, TX 78765-4143

- Phone: (512) 424-5079 (choose option #2 to set up new account for school district contractors)  
- Email: fingerprint.service@dps.texas.gov  
- Website: https://www.dps.texas.gov/administration/crime_records/pages/contact.htm

For fastest service please call or email or call. State in the message that you are a school district contractor and need to have an account established for DPS FACT clearinghouse access. Please include:

a. Business (DBA) Name  
b. Business Physical Address  
c. Business Phone  
d. Full name of primary point of contact  
e. Phone number for primary point of contact  
f. Business email address to be used for notification of FACT records and messages

The information in the DPS FACT Clearinghouse is confidential, and access must be restricted to the least number of persons needed to review the records. The account must include at least one designated supervisor to make necessary changes and to monitor the site’s security and the access to the criminal history data retrieved. Additional users must be limited to those who need to request, retrieve, or evaluate data regarding the individual applicants.

After you sign the DPS User Agreement for FACT, DPS will provide you with a generic Texas Fingerprint Service Code Form that you will provide to your employees to schedule their fingerprinting appointment at an authorized location.

For questions regarding this matter, please contact the Access & Dissemination Bureau of the Texas DPS Criminal Crime Records Service at (512) 424-5079.

Texas Education Code, Chapter 22, requires school districts to review the criminal histories of contractors and independent contractors who have, or will have, continuing duties related to a services contract with the District and direct contact with students. Spring ISD considers "continuing duties" to result from services spanning more than one (1) school day and "direct contact" to result from any activity that may provide substantial opportunity for verbal or physical interaction with students and that is not supervised by a professional district employee at ALL times (e.g. unsupervised coaching, tutoring, or other unsupervised services). Spring ISD retains the sole right to determine if engagement with a contractor/independent contractor (including subcontractors) requires review of criminal histories, in accordance with Texas law.

If at any time over the effective term of this Agreement Spring ISD determines that engaging with the Contractor requires a criminal background check, the Contractor will be provided with further instructions. If required, criminal background checks must be completed, reviewed, and approved by Spring ISD either prior to services being provided or prior to continuation of services, as required by Spring ISD.

FINGERPRINTING INSTRUCTIONS
FOR INDIVIDUAL/SELF-EMPLOYED PROVIDERS ONLY

The instructions on this document apply only to individual/self-employed providers requiring fingerprinting because their services will involve continuing duties and direct contact with students (this form does not apply to entities providing services through employees, agents, or subcontractors).

IMPORTANT INFORMATION FOR PROVIDERS SEEKING A CONTRACT WITH SPRING ISD:

Providers who have not already been fingerprinted in accordance with the requirements stipulated in Texas Education Code, Chapter 22, are not authorized to provide services until such fingerprinting requirements have been met and the criminal history has been reviewed and cleared by the Spring ISD Human Resources department.

NOTE: If you have undergone the fingerprinting process with the Texas DPS office through a contract with another Texas public school district, then you do not need to be fingerprinted again; in such case, you need only to complete the Contractor Acknowledgement of Criminal History Review Requirements form (page C11) provided in this packet.

In order to complete the required fingerprinting process, please refer to the following instructions:

1. Enclosed in this packet are the following two (2) documents required for the fingerprinting process:
   a. A Spring ISD generic Texas Fingerprint Service Code Form (see page C13), which you must have in your possession when contacting the Texas DPS office in order to schedule your fingerprinting appointment.
   b. A letter (see page C14) notifying the Texas Department of Public Safety (Texas DPS) office that you need to be fingerprinted prior to executing a contract with Spring ISD.

2. Follow the instructions within the Texas Fingerprint Service Code Form to schedule your fingerprinting appointment. The Texas DPS office may ask you for a copy of your services contract with Spring ISD. If so, you will provide the letter referenced in Section 1a above (Spring ISD does not execute a contract until the independent contractor's criminal history has been reviewed and cleared).

3. Upon completion of your fingerprinting process, the Texas DPS office should provide you with a receipt, confirming completion of your fingerprinting. You must submit a copy of the fingerprinting receipt via email to the Spring ISD Procurement Services department at contracts@springisd.org.

4. The Procurement Services department will then coordinate a review of your criminal history record through the Spring ISD Human Resources office. Assuming your criminal history record does not contain any felonies or convictions which would prevent you from being able to contract with Spring ISD, the Human Resources department will inform Procurement Services that you are approved to provide services to the District.

5. The Procurement Services department will then continue to route your Services Contract through the District's contract routing process.

6. Once your Services Contract has been signed by all necessary parties within Spring ISD, a fully executed copy of your Services Contract will be provided to you for your records.

7. Soon after your Services Contract is fully executed, you should also receive a duly-authorized district Purchase Order for any amounts that will become due upon rendering of your services to the district, in accordance with the terms, conditions, and payment schedule (if applicable) referenced in the Services Contract.

For questions related to this matter, please contact the Spring ISD Procurement Services department via email at contracts@springisd.org or via phone at 281-891-6465.

Sincerely,

Procurement Services Department
Spring Independent School District
TExAS FINGERPRINT SERVICE CODE FORM: This form applies only to an independent contractor (individual / single-person entity only) that has not already undergone a fingerprint-based criminal background check through the Texas DPS office and who requires fingerprinting because they are seeking a services contract with Spring ISD that will last beyond one (1) school day AND that will involve either direct contact with students or a substantial opportunity for verbal and/or physical interaction with students.

The following items are important to remember:

♦ The last grade that may be used to calculate the three weeks regaining of eligibility must be entered on the ending date. Grades recorded after the ending date cannot be used for eligibility.

♦ Students will become eligible or ineligible at the end of the school day seven days from the ending date of the grading period.

♦ Students can regain eligibility at the end of the three-week grading period. **They cannot lose eligibility.**

♦ The third six-week grading period ends on Thursday, December 18, 2018. All students are eligible during the Christmas Holidays.

♦ **Students are eligible during a school holiday of a full calendar week or more (Thanksgiving, Christmas, Spring Break).**

♦ Students lose eligibility for a three school week period. For purposes of the law, “three school weeks” is defined as “15” class days. Exception: One, **but only one**, of the three school weeks may consist of only three or four class days, provided school has been dismissed for a scheduled holiday period. Two class days do not constitute a “school week” for purposes of this law **except** Thanksgiving week if schools are on holiday Wednesday, Thursday and Friday.

♦ A seven calendar day grace period to lose eligibility, and a seven calendar day waiting period to regain eligibility, are still in effect.

**Example:**

♦ School begins 8/15.
♦ First six-weeks ends on 9/20.
♦ Students regain eligibility seven calendar days later on 9/27.
♦ Students lose eligibility seven days later on 9/27.

Ineligible students’ grades are checked on 10/12. If they are passing all courses, they will regain eligibility seven calendar days later on 10/19 at 2:30 p.m (end of the school day).
