II. Minutes from Prior Meetings  
The Board reviewed the minutes from the following meetings:  
A. September 6, 2018 Board Work Session  
B. September 11, 2018 Regular Meeting  

III. Opening Remarks  
A. Superintendent of Schools  
Superintendent Dr. Rodney Watson began his remarks by wishing Spring High School good luck in their Homecoming game. Dr. Watson then introduced the Strategic
Priority Updates and reminded the Board that they will receive updates on these priorities each month.

B. Strategic Priority Updates
The Board received updates on its strategic priorities for the 2018-2019 academic year.

1. Workforce Development
   Pamela Farinas, Assistant Superintendent of Workforce Development, presented the Board with an update on Workforce Development.

   Rigor Relevance Coaching for All Schools - Between September 10th and continuing through early October, all 38 of our schools will have received their first two onsite coaching days for teachers from consultants from the International Center for Leadership in Education (ICLE). Consultants from ICLE are working with our principals, teachers and coaches in professional learning communities (PLCs) to solidify their use of the SpringWay Rigor Readiness Protocol, a tool to aid with lesson planning. ICLE will provide each principal a summary report of the coaching sessions conducted with our teachers.

   September 21st: Spring ISD’s First District-Wide Professional Development Day of 2018-2019 - September 21, 2018 was Spring ISD’s first district-wide professional development day of this school year. Thousands of campus-based and central-office employees attended more than 50 professional development sessions across multiple locations at campus and central support facilities. During the morning, Workforce Development Team (WFDT) members conducted “Examining Scholar Work for Evidence of Effective Instruction” sessions on each of our 38 campuses while all campus administrators attended a session on “Evaluating Effective Standards-Based IEPs”. Some special work teams had training sessions focused on their area of expertise, such as nurses, counselors, testing coordinators, special education teachers/service staff, 504 facilitators, physical education teachers, performing and visual arts teachers, paraprofessionals, instructional aides, bilingual/ESL teachers, Pre-AP/AP teachers and CTE teachers. Also, teachers received additional support with Get Better Faster strategies through 14 invitation-only sessions that provided them an opportunity to both dive deeply into the rationale behind and practice the strategies. Other teachers were able to select learning sessions on Teach Like a Champion (TLAC), restorative practices, Socratic seminar, Lead4ward, MAP, Marzano’s High Yield Strategies, data tracking and Writer’s Workshop.

Get Better Faster Training for Campus Based and Central Office Administrators - From September 26-28, additional campus based and central office leaders received training from the Assistant Superintendent of Workforce Development and other team leaders on the coaching model used by Spring ISD in order to bring alignment to the coaching practices used with teachers this year. Based on the Get Better Faster coaching model, the participants received training on the SpringWay Model. This three-day professional development module will be offered throughout the school year until all current leaders are trained.

Last spring, in response to the strategic priority to develop teachers, Spring ISD began a new professional development model for teachers. In July, the Workforce Development Team officially began its work under the new model.
An update was provided from District leaders that are leading our teacher development efforts. These leaders include Principal Leticia Gonzalez, Math Coach Robert Silvy, and Literacy Coach Kathy Cromwell of Cooper Elementary School; Principal Tracey Walker, and Development Specialist Monea Beene of Roberson Middle School; and Principal David Mason and Development Specialist Janet Diaz of Westfield High School.

2. Gifted and Talented
Tiffany Williams, Manager of Advanced Academics, presented the Board with an update on Advanced Academics.

G/T Coordinator Open Lab - On September 11, 2018, the team offered the first G/T Coordinator Open Lab Session. This optional session provided individualized support to campus G/T Coordinators based on their questions and level of expertise. G/T Specialists provided support with Renzulli Learning, Odyssey of the Mind, and general G/T compliance questions. A total of 11 participants took advantage of this session. Session evaluation data indicated the session was effective (71% Highly Effective, 29% Effective). The next G/T Coordinator Lab will take place on October 9, 2018.

Renzulli Learning Implementation - Using Renzulli Learning, students complete a questionnaire that generates a personal narrative profile of their top interests, learning styles, and product styles. As of October 1, 2018, 91% of elementary G/T students and 82% of 6th grade G/T students have a completed student profiler.

Through a collaboration with the School Leadership Office work is being done to offer additional opportunities for G/T students to utilize Renzulli Learning. Five schools have been identified (Bammel Elementary School, Ponderosa Elementary School, Saylers Elementary School, Bailey Middle School, and Wells Middle School) to provide a Renzulli Learning Lab during the 21st Century After School Program. This opportunity will increase the percentage of completed student profiles and weekly assignments.

Pre-Advanced Placement (Pre-AP) - During the month of September, Advanced Academics Collaboration and Instructional Walks were conducted at Bammel, Dueitt, Claughton, Twin Creeks, and Wells Middle Schools. Artifacts were collected from 50% (8 out of 16 classrooms) of the Pre-AP classrooms that show evidence of the implementation of Cornell Notes.

As of October 2, 2018, 87% of all Pre-AP Teachers have attended at least one Pre-AP Instructional Strategy: Cornell Notes session. During the sessions, participants used a rubric/checklist to score authentic Cornell Note products collected during campus walks. In addition, participants used the Curriculum Scope and Sequence to plan six lessons to incorporate their work during the second six-weeks. An exit survey indicated participants felt the session was an effective use of their time (71% Highly Effective, 21% Effective).

Middle School Technology Update - To support the implementation of the Texas Performance Standards Project (TPSP) and Renzulli Learning at the middle school level, each middle school received 30 Chromabooks and a Chrome Cart.
on September 25, 2018. Collaboration is taking place with the Technology Department to distribute for student use by October 5, 2018.

Advanced Placement (AP) - A total of 41 participants (13 Mathematics/Science; 26 Humanities; 2 Other Professional Staff) attended the AP Cohort: 11 Common Syllabi session offered on Friday September 21, 2018. The 11 AP courses with a common syllabus are: Biology, Calculus, Chemistry, English Language, English Literature, Macroeconomics, Physics, Spanish Language, Statistics, World History, and US History. During the session, participants from 10 of the 11 AP Courses utilized the College Board AP 2018 Implementation Website to develop a common assessment. An exit survey indicated participants felt the session was an effective use of their time (84% Highly Effective, 16% Effective). The session was offered again on October 2, 2018 to capture the target audience from the previous session.

3. Performing and Visual Arts
Dr. Joe Clark, Director of Performing and Visual Arts, presented the Board with an update on Performing and Visual Arts.

PVA Enrollment at the Secondary Level by Campus - Below are the current percentages of students enrolled in at least one PVA course by campus.

PVA KPIs for Average Daily Attendance - All PVA content areas are currently above their campus average for average daily attendance, and currently below 1.0 average disciplinary actions (0.18 is the highest average – DMS & SHS). This information is shared weekly with PVA teachers through Google Hangout meetings with head directors.

The Fabulous Fable Factory – Spring High School Theatre - The following quote is directly from the playbill’s program notes. “From the moment I read this script, I knew it was perfect for our Performing and Visual Arts goal of Arts Integration. This show has the ability to get students of all ages, but specifically our elementary friends, excited about writing, drawing conclusions, and attaching movement to learning, for lasting muscle memory in the classroom.” (Marilyn Ocker, Playbill). Mrs. Ocker also collaborated with the Spring High School Visual Arts classes and allowed them to design her posters and advertisements that have been used throughout the running of this show.

PVA Professional Development Day – Arts Integration and Collaborative Performances - Several highlights from the afternoon trainings were the following:
- Amanda Byers (PVA Office) – Advocacy Through Social Media (Twitter)
- Samantha Lacey (Roberson Middle School Art) – The Flipped Classroom (for visual art classes)
- Frances Botello (McNabb Elementary School Art, first year in Spring ISD) – Arts Integrated Strategies

Collaborative Performances – All Collaborative/Integrated Performances have been appointed a PVA staff member as Chairmen of their content area. All performances have a timeline drafted and are now working through their next steps together as a team.

Elementary Art and Music Teachers - All Spring ISD Elementary Art and Music Teachers met during the summer and decided to get together once a month to mocl lessons for each other and discuss teaching strategies. Each teacher volunteers in areas that they have been successful in the past. Our veteran teachers have led the organization of these meetings and are mentoring our younger teachers. Topics so far have included: lesson planning for the year; team building; sharing resources; arts integration; and the Rodeo Art Contest. These meetings are in addition to the regularly scheduled PVA established PLCs and PD days.

Houston Arts Partners Conference - Arts Integration Instructional Strategies

The annual HAP Conference was held this past weekend in Klein ISD. Spring ISD had 15 teachers present and one PVA administrator presenting during the conference.

4. Special Education

Peg Sherwood, Executive Director of Special Education, presented the Board with an update on Special Education.

Special Education Folder Audit - Based on the Special Education folder audit findings, all campuses have received information concerning the corrections that need to be made to ARD/IEP documents completed on their campus during the 2017 – 2018 school year. A summary of the areas of concern is as follows:

Based on the indicators which were "Not Evident", corrective steps were created and provided to the campuses. Additionally, re-training will be provided to the identified schools in order to ensure that all ARD/IEP meetings are correctly held and that all indicators are at "Exemplary" or "Evident" level.

Special Education CASE - Realignment plans included combining students that had been participating in Community Based Instruction (CBI) and Structured Learning (SL) into one constellation of services called Community Academic Structured Education (CASE). This enabled the moving of students back to their home campuses as every campus would have CASE services for their own students.

Projected numbers for secondary campuses were on target. Projections for elementary schools underestimated the number of students needing these services.

Teachers and paraprofessionals have completed required training and are receiving support as they implement the services called for in the students' Individualized Educational Plans (IEPs).

President Newhouse recessed the meeting for a short break at 7:40 PM.
President Newhouse reconvened the meeting at 7:54 PM.

IV. Presentations

A. Dual Language Program Update

Chief Lupita Hinojosa and principals of the three elementary schools implementing the Dual Language Program provided the Board with an update.

Kristi Brown, Principal at Northgate Crossing Elementary School, presented information on the student recruitment and selection process. The process includes parent dual language informational meetings held at all three dual language campuses, testing children in Spanish and English to determine a language proficiency baseline, and enrolling students in the campus dual language program.

Cynthia Gomez, Principal at Clark Primary Elementary School, presented information on teacher preparation and support. In the Spring of 2018, teachers attended the
Language Institute at the International Language Center in San Antonio. In the 
Summer of 2018, teachers attended the Dual Language Institute held at Texas A&M. 
In October 2018, teachers will attend the Texas Association of Bilingual Educators 
Conference. On-going preparation and support includes dual language sessions held 
on Wednesdays and Saturdays, focused on language proficiency strategies.

John Baker, Principal at Hirsch Elementary School, presented information on the 
instructional program. The program is a 80/20 two-way dual language immersion 
program where 80% of the day is in Spanish. Details of which subjects are taught in 
the target language of Spanish are identified in the Articulation Guide. The target 
language changes as the grade levels progress reaching a 50/50 level at 5th grade.

Lettie Houck, Director of Multilingual Programs, presented information on district 
support for the program. District support consists of professional development which 
includes dual language conferences, dual language consultants, in-class support and 
after-school and Saturday sessions.

Parents Valerie Montgomery of Hirsch Elementary School and Marlen Vega of 
Northgate Crossing Elementary School discussed how the program has impacted 
them and their children.

C. Credit-by-Examination (CBE) Audit Process EHDC(EXHIBIT)
Chief Lupita Hinojosa presented the Board with information regarding the administration's Credit-by-Examination (CBE) audit process for exams that are internally developed.

VIII. Chief Financial Officer
A. 2018 Appraisal Roll Certification
Chief Ann Westbrooks presented the Board with the 2018 Appraisal Roll Certification. The Chief Appraiser of the Harris County Appraisal District has certified the 2018 property values for Spring ISD. This is the tax base in addition to estimated amounts for uncertified property which will support the 2018-2019 operating and debt service budgets.

B. 2018 Tax Rate
Chief Ann Westbrooks presented the Board with information to consider approving a tax rate of $1.51 for the 2018 tax year. As required by state regulations, the District published a proposed tax rate of $1.51 in the Houston Chronicle on May 30, 2018. Upon receipt of the certified values from the Harris County Appraisal District on August 24, 2018, an additional review was done resulting in a proposed tax rate of $1.51. In accordance with Property Tax Code, a taxing unit authorized to both maintenance and operations (M&O) and debt service (I&S) expenditures with property taxes must adopt its rate in two separate components; one for maintenance and operations ($1.06) and one for debt services (.45).

C. Request for Proposals (RFP) #19-005 – Art Supplies, Furniture and Equipment
Chief Ann Westbrooks presented the Board with information regarding Request for
Proposal #19-005 – Art Supplies, Furniture and Equipment. The Spring Independent School District requested competitive sealed proposals for the purpose of identifying vendors to supply art supplies, furniture and equipment to support the needs of the District, in accordance with the terms, conditions, and specifications established within the Request for Proposals.

D. Request for Proposal (RFP) # 19-006 – Fire Alarm Inspections, Parts, and Services
Chief Ann Westbrook presented the Board with information regarding Request for Proposal # 19-006 – Fire Alarm Inspections, Parts, and Services. The Spring Independent School District requested competitive sealed proposals for the purpose of identifying vendors to provide Fire Alarm Inspections, Parts, and Services to support the needs of the District.

E. Request for Proposal (RFP) # 19-007 – Fire Sprinkler Inspections, Parts, and Services
Chief Ann Westbrook presented the Board with information regarding Request for Proposal # 19-007 – Fire Sprinkler inspections, Parts, and Services. The Spring Independent School District requested competitive sealed proposals for the purpose of identifying vendors to provide Fire Sprinkler Inspections, Parts, and Services to support the needs of the District.

F. Taxpayer Refunds
Chief Ann Westbrook presented the Board with information regarding Taxpayer Refunds. The Board was presented with a report consisting of refunds exceeding $500.

G. Report of Purchasing Cooperative Purchases Exceeding $50,000
Chief Ann Westbrook presented the Board with a report consisting of purchases exceeding $50,000 that were made by the District through one or more authorized purchasing cooperatives.
