

MINUTES

Spring ISD School Health Advisory Council (SHAC)

Date | time 12/17/2019 3:00 PM | *Meeting called to order by* Denise Zimmerman at 3:15 PM

In Attendance

Diana Truong, Jennifer Fasano, Kelsi Robinson, Mame Yaa Badu-Acheampong, Taisha Gooch, Jeanne Parker, Denise Zimmerman, Carmen Correa. Verbal attendance and introductions of those in attendance were made.

Share Table Update

Share Tables were introduced at Ponderosa and Twin Creeks elementary on December 9, 2019. Sub-committee volunteers are needed to evaluate the program at both schools.

A free food-handling class for Share Table monitors will be held on January 24, 2020 at the Spring ISD Nutrition Center (time to be determined).

The Share Table package for principals is in the process of production. Carmen Correa and Claudia Curda will present at January meeting for SHAC to review. Carmen Correa will email a copy to Jennifer Fasano so Nutrition Department can add their input.

Carmen Correa posed a question re: the use of uneaten food from the Share Table. Jennifer Fasano clarified that food that has been distributed and served in schools has already been purchased/reimbursed and needs to be served or donated to Share Table.

Denise Zimmerman will contact local Lowe's stores in the new year to obtain donated fridges for Share Tables.

SB 11

Denise Zimmerman presented a trifold parent resource guide re: mental health and bullying for review and input from SHAC.

Spring ISD SHAC needs a statement regarding opioids per senate bill 11.

SHAC's role is to increase parent awareness of mental health and bullying through parent presentations.

Increasing Parent Involvement

Denise Zimmerman will ask Spring ISD to update SHAC's webpage to be more engaging with photos and updates of projects.

Motion was made to start social media accounts highlighting SHAC's Mission and projects. Taisha Gooch volunteered to be SHAC's representative on the Spring ISD Parent Involvement Facebook page. Mame Yaa Badu-Acheampong volunteered to start a Spring ISD SHAC Twitter account.

The Nutrition department has newly activated social media accounts @springisd_meals on Instagram, Facebook and Twitter

Projects for Next Meeting

The council will discuss projects for the 2020/2021 school year during the January 2020 SHAC meeting.

1. Recess policy
2. Senate bill 435 and the language for opioid addiction in the curriculum
3. Starting live stream of meetings

Next Meeting

Thursday, December 16, 2020, 3:00-5:00 at Spring ISD Learning Center

Motion to adjourn was made by Denise Zimmerman at 4:15 and was passed unanimously.
