IV. OBLIGATIONS DURING COVID-19 PANDEMIC

Due to the currently ongoing COVID-19 pandemic, the parties agree that either party may perform its obligations under this Contract virtually and/or remotely, as deemed appropriate by the performing party. The ISD is solely responsible for the provision and cost of all equipment, technology, Internet service/capabilities, networking, and the like required to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely.

The ISD is further solely responsible for obtaining any required parental/guardian consent for students to participate in Nita M. Lowey 21st Century CCLC Texas ACE program activities online/remotely. HCDE will not be responsible for any costs necessitated or incurred due to online/remote participation.

The parties agree to reasonably cooperate with each other to ensure that the duties, obligations, and rights of both parties under this Contract are timely fulfilled, to the maximum extent possible, while also taking into account the health and safety of each party's employees, officers, agents, representatives, and students. The parties encourage social distancing as a measure intended to minimize the spread of disease in response to the current health situation.

V. COMPENSATION AND FUNDING

Subject to the following paragraphs, HCDE will pay the ISD in an amount not to exceed:

 \$156,800.00 for providing the Center in accordance with Section III and this Contract at Bammel Middle School.

The ISD must submit an itemized monthly statement detailing expenses with supporting documentation for the Center(s) in order to receive payment of these expenses. HCDE will pay the ISD within 60 days of receiving sufficient funds as described below. Only invoices for allowable expenses, per grant fiscal guidelines, incurred during the term of this Contract will be paid by HCDE. The ISD waives any statutory right to interest the ISD may have under Chapter 2251 of the Texas Government Code. The ISD may be eligible for a prorated amount, in HCDE's sole discretion, if the ISD is unable to maintain its Center(s) in accordance with the site description. Included in these requirements are: the number of Centers in the ISD where the Center programs are provided; the number of students and adults served in the ISD by the Center programs; and fulfillment of the total number of days of providing service. It is expected that the Center will expend a minimum of 90% of the total grant award outlined herein. The ISD agrees that if any time after January 31, 2021, the HCDE CASE for Kids Director determines that the ISD does not have a realistic action plan to expend at least 90% of the grant award amount, HCDE may withhold and reserve up to one-third of the budget (Exhibit B) that would have been otherwise paid to the ISD and use those funds, in HCDE's sole discretion, to allocate allowable expenses to support the afterschool program/Center, in accordance with the grant fiscal guidelines and procedures. HCDE will notify the ISD at least two weeks prior to re-allocation/withholding of funds from the ISD in support of the afterschool program/Center.

The ISD acknowledges that federal funds will be used to pay for all or a portion of funds due under this Contract and that this Contract is only effective upon receipt of the Notice of Grant Award ("NOGA") and actual funding by HCDE from the awarding agency. As such, if HCDE does not receive sufficient funding for the obligations provided in this Contract, HCDE may terminate this Contract without penalty or further obligation to the ISD, at any time upon written notice to the ISD. The expenses incurred in accordance with this Contract shall be wholly funded by the Texas ACE Program. In the event that any payment(s) to ISD under this Contract are subsequently disallowed by the awarding agency or affiliated entity or in the event that HCDE is required to refund any funding received from the awarding agency, affiliated entity, or other granting agency relating to this Contract, to the maximum extent permitted by applicable law, the ISD shall repay to HCDE, on demand, the amount of any such disallowed costs and/or refund. HCDE may, in its sole discretion, deduct the amount(s)

of any such disallowed costs and/or refund(s) from subsequent payments to the ISD under this Contract.

The ISD and HCDE agree that, in accordance with Section 791.011, each party paying for the performance of governmental functions and/or services must make those payments from current revenues available to the paying party, and payment must be in an amount that fairly compensates the performing party for the services and/or functions performed under the Contract.

- H. **Specific Conditions:** If TEA identifies, in its sole determination, a grantee as posing a level of risk identified by the agency's risk criteria, the grantee has a history of ailure to comply with the terms and conditions of the

grant award, the grantee fails to meet performance goals, or is not otherwise responsible then TEA may impose additional specific award conditions on any grant award. (2 CFR 200.207).

Specific conditions may include 1) requiring payments as reimbursements rather than advance payments, 2) withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given performance period, 3) requiring additional, more detailed, financial reports, 4) requiring additional project monitoring, 5) requiring technical or management assistance, or 6) establishing additional prior approvals.

TEA may, in appropriate circumstances, designate the specific conditions established under 2 CFR 200.207 as "high-risk conditions" and designate a non-federal entity subject to specific conditions established under §200.207 as a high-risk Grantee. (2 CFR 3474.10)

- Notification of Specific Conditions: Upon placing a specific condition or high-risk Grantee identification, TEA must notify the Grantee of 1) the nature of the additional requirements, 2) the reason for the additional requirements, 3) the action needed to remove the additional requirement, if applicable, 4) the timeline for completing the additional requirements, and 5) the method for requesting reconsideration of the additional requirements being imposed. Any specific conditions must be promptly removed once the deficiency has been corrected. (2 CFR 200.207)
- Remedies for Noncompliance: If TEA determines that noncompliance cannot be corrected by imposing the specific conditions, TEA may take one or more of the following remedies for noncompliance actions, as appropriate in the circumstances. 1) temporarily withhold cash payments pending correction of the deficiency, 2) disallow all or part of an activity or action not in compliance, 3) wholly or partly suspend or terminate the grant award, 4) initiate suspension or disbarment proceedings under 2 CFR 180, 5) withhold further grant awards for the project, or 6) take other remedies that may be legally available. (2 CFR 200.338)
- K. **Notification of Remedies for Noncompliance and Opportunity for Hearing:** Upon taking any remedy for non- compliance, TEA must provide the Subrecipient an opportunity to object and provide information and documentation challenging the suspension or termination action. (2 CFR 200.341)
- L. **Subaward Cancellation, etc.:** If this Subaward is canceled, terminated, or suspended by the Agency prior to its expiration date, the reasonable monetary value of services properly performed by the Subrecipient pursuant to this Subaward prior to such cancellation, termination, or suspension shall be determined by the Agency and paid to the Subrecipient as soon as reasonably possible.
- M. **Indemnification:** The Subrecipient, to the extent permitted by law, shall hold the Agency harmless from and shall indemnify the Agency against any and all claims, demands, and causes of action of whatever kind or nature asserted by any third party and occurring or in any way incident to, arising from, or in connection with, any acts of the Subrecipient, its agents, employees, and subcontractors, done in the conduct of the Subaward Project.
- N. Encumbrances/Obligations and Liquidations: All encumbrances/obligations shall occur on or between the beginning and ending dates of the Subaward unless pre-award costs are expressly permitted for the individual Grant program. In general, goods or services delivered near the end of the Grant period may be viewed by TEA as not necessary to accomplish the objectives of the current Grant program; however, TEA will evaluate such expenditures on a case-by-case basis. A TEA monitor or an auditor may disallow those expenditures if the Grantee is unable to (1) document the need for the expenditures, (2) demonstrate that program beneficiaries receive benefit from the late expenditures, or (3) negate the appearance of "stockpiling" supplies or equipment. The Subrecipient must receive the benefit and liquidate (record as an expenditure) all obligations incurred under the Subaward no later than the revised final expenditure report due date. An encumbrance cannot be considered an expenditure or accounts payable until the goods have been received and the services have been rendered. Obligations that are liquidated and recognized as expenditures must meet the allowable cost principles in 2 CFR Part 200 of EDGAR (as applicable) and program rules, regulations, and guidelines contained elsewhere. This provision applies to all Grant programs, including state and federal, discretionary and formula.
- o. **Financial Management and Accounting:** The Subrecipient assures it will maintain a financial management system that provides for the following: (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, name of the Federal Agency, and name of the pass-through entity, if any. (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in 2 CFR §§200.327 Financial reporting and 200.328 Monitoring and reporting program performance. If a Federal awarding Agency requires reporting on an accrual basis from a recipient that maintains

its records on other than an accrual basis, the recipient must not be required to establish an accrual accounting system. This recipient may develop accrual data for its reports on the basis of an analysis of the documentation on hand. Similarly, a pass-through entity must not require a Subrecipient to establish an accrual accounting system and must allow the Subrecipient to develop accrual data for its reports on the basis of an analysis of the documentation on hand. (3) Records that identify adequately the source and Application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation. (4) Effective control over, and accountability for, all funds, property, and other assets. The non-Federal entity must adequately safeguard all assets and assure that they are used solely for authorized purposes. See 2 CFR §200.303 Internal controls. (5) Comparison of expenditures with budget amounts for each Federal award. (6) Written procedures to implement the requirements of 2 CFR §200.305 Payment. (7) Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles of this part and the terms and conditions of the Federal award. (2 CFR §200.302(b)(7)).

Unless otherwise specified, interim reports are due to TEA within 15 days after the end of each reporting period. Unless otherwise specified, the final expenditure report is due within 30 days after the ending date of the Grant. Revised expenditure reports, if allowable, where the Subrecipient is claiming additional expenditures beyond that originally requested, must be submitted within 60 days after the ending date of the Grant, unless otherwise specified.
- Q. **Refunds Due to TEA:** If the Agency, or Subrecipient, determines that the Agency is due a refund of money paid to the Subrecipient pursuant to this Subaward, the Subrecipient shall pay the money due to the Agency within 30 days of the Subrecipient's receipt of written notice that such money is due to the Agency. If the Subrecipient fails to make timely payment, the Agency may obtain such money from the Subrecipient by any means permitted by law, including but not limited to offset, counterclaim, cancellation, termination, suspension, total withholding, and/or disapproval of all or any subsequent Applications for said funds.
- R. **Records Retention:** Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award must be retained for a period of five years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding Agency or pass-through entity in the case of a Subrecipient (GEPA §81.31(c)).

The Subrecipient understands that acceptance of funds under this Subaward acts as acceptance of the authority of the State Auditor's office, or any successor Agency, to conduct an audit or investigation in connection with those funds. The Subrecipient further agrees to cooperate fully with the State Auditor's Office or its successor in the conduct of the audit or investigation, including providing all records requested. For federally funded projects, time and effort records must be in accordance with the requirements in 2 CFR §200.430(i) of EDGAR, as applicable.
- T. **Forms, Assurances, and Reports:** The Subrecipient shall in a timely manner make and file with the proper authorities all forms, assurances, and reports required by federal laws and regulations. The Agency shall be responsible for reporting to the proper authorities any failure by the Subrecipient to comply with the foregoing laws and regulations coming to the Agency's attention and may deny payment or recover payments made by the Agency to the Subrecipient in the event of the Subrecipient's failure to comply.
- U. Intellectual Property Ownership: The Subrecipient agrees that all Works are, upon creation, Works made for hire and the sole property of TEA. If the Works are, under applicable law, not considered Works made for hire, the Subrecipient hereby assigns to TEA all worldwide ownership of all rights, including the Intellectual Property Rights, in the Works, without the necessity of any further consideration, and TEA can obtain and hold in its own name all such rights to the Works. These warranties will survive the termination of the Subaward. If any preexisting rights are embodied in the Works, the Subrecipient Grants to TEA the irrevocable, perpetual, nonexclusive, worldwide, royalty-free right and license to (i) use, execute, reproduce, display, perform, distribute copies of, and prepare derivative Works based upon such preexisting rights and any derivative Works thereof; and (ii) authorize others to do any or all of the foregoing. The Subrecipient agrees to notify TEA on delivery of the Works if they include any such preexisting rights. On request, the Subrecipient will provide TEA with documentation indicating a third party's written approval for the Subrecipient to use any preexisting rights that may be embodied or reflected in the Works.

For School Districts, ESCs, Nonprofit, and For-Profit Organizations: The foregoing Intellectual Property Ownership provisions apply to any school districts, ESCs, nonprofit organizations, and their employees, agents, representatives, consultants, and subcontractors. If a school district, ESC, or nonprofit organization or any of its subcontractor(s) wish to obtain a license agreement to use, advertise, offer for sale, sell, distribute, publicly display, publicly perform or reproduce the Works, or make derivative Works from the Works, then express written permission must first be obtained from the TEA Copyright Office.

For Colleges and Universities: The foregoing Intellectual Property Ownership provisions apply to any colleges and universities and their employees, agents, representatives, consultants, and subcontractors; provided, that for all Works and derivative Works created or conceived by colleges or universities under the Subaward, they are Granted a non-exclusive, non-transferable, royalty-free license to use the Works for their own academic and educational purposes only. The license for academic and educational purposes specifically excludes advertising, offering for sale, selling, distributing, publicly displaying, publicly performing, or reproducing the Works, or making derivative Works from the Works that are created or conceived under this Subaward; and colleges and universities and their employees, agents, representatives, consultants, and subcontractors are prohibited from engaging in these uses and activities with regard to the Works unless the prior express written permission of the TEA Copyright Office is obtained.
