

Spring High School Starlettes Handbook Contract

Participation on a Spring ISD Dance Team is a privilege, and not a right. In order for the Dance Team member to maintain and retain this privilege, the policies and procedures contained in the handbook must be adhered to in the spirit of discipline, education, and the overall goals and objectives of Spring ISD. This Handbook has been read and is supported by the Administration of both Spring ISD & Spring High School.

The policies and enforcement procedures are relative to the Spring ISD Dance Team constitution and will be administered accordingly. The rules, regulations, and policies are outlined in the Spring High School Starlettes Handbook.

I have read the Spring High School Starlettes Handbook in its entirety and fully understand the time, expense, and discipline that will be required of me as a Dance Team member. I agree to abide by all provisions of the Spring ISD Dance Team Constitution and Code of Ethics. I understand that if I am unable to meet the requirements set forth in the Constitution, I will have to forfeit my membership.
