

Wunsche Wellness Clinic

The Wunsche Pet Clinic is proud to partner with Dr. Lori Seelhoff and Mrs. Suzanne Turner to bring the Wunsche Wellness Clinic, a low cost pet wellness event, to Carl Wunsche Sr. High School in Spring ISD. During this event, pets will be able to get their vaccinations, heartworm test, physical examination, and monthly preventatives while the students of the CWHS Veterinary Science program work to perfect their skills and gain knowledge of their future career. Visits are by appointment only (QR code below to sign up for an appointment) ~ there are only a limited number of appointments available, so sign up now! Payment information will be included on the appointment form ~ payment is required at the time of appointment selection.
