Parents and Guardians,

We are pleased to announce that registration is now open for full-day, in-person pre-K in Spring ISD for the 2022-23 school year! Any and all families with students who will be **4 years old on or before Sept. 1, 2022** and meet Texas Education Agency eligibility requirements are highly encouraged to apply!

In addition, the district's pre-K program aims to meet the needs of more students by offering a tuition-free option for 4-year-olds who don't meet state eligibility requirements. These seats will be awarded on a space-available basis.

Spring ISD is committed to providing an excellent and engaging education to all of our youngest students, with a pre-K program designed to cultivate a love of learning that will set the foundation for success and high-quality education. Should you have any questions about our pre-K programs, please reach out to your neighborhood elementary school.

To register for prekindergarten or kindergarten and for more information, including eligibility requirements and Frequently Asked Questions, go to www.springisd.org/prek. Parents who need assistance with online registration should call their zoned campus **FIRST**. If additional assistance is needed, please call 281-891-6337.

If you know someone in the district who would be interested in receiving this information, please forward this email to them. We look forward to seeing you and your student this coming school year!
