## 2022-2023 SCHOOL SUPPLY DONATIONS

Here at Ponderosa Elementary School, we provide our classrooms with the necessary supplies to start off the school year successfully. This allows parents, teachers, and students to focus on effective teaching and learning, rather than the burden of trying to purchase school supplies. However, supplies do go quickly! Therefore, we accept school supply donations year round! Whenever you are out doing your weekly shopping, feel free to grab one of the items below and simply drop it off in the front office! We truly appreciate your support!

		
		
		

Never Underestimate the **HEART** of a **CHAMPION**
