AWARDS

Letter jackets will be awarded for participation in extracurricular activities based on the following award criteria:

1. All sports and cheerleading — after completing in good standing one full year of varsity level membership. Seniors who make varsity cheerleader for the first time as seniors may receive letter jackets after completing one semester in good standing.
2. Band, choir, debate, drama, speech, yearbook, journalism, and drill team — after completing in good standing two years of extracurricular participation.

Good standing means that a student is eligible for participation for a majority of the participation period.
